## CHILE - FJORDS OF TIERRA DEL FUEGO | STELLA AUSTRALIS

*\*Early Penguin Promotion is available for sale on new bookings until 30 April 2024 unless withdrawn or sold out prior. Save US\$500 per person or US\$1000 per cabin - based on double occupancy cabins in the 24/25 season only. Only applies to category A, AA, AAA and Superior cabins (category B cabins excluded). Port taxes not included. Promotion cannot be combined with other discounts. Further terms and conditions apply, please contact us for details and availability.*

### ITINERARY

#### DAY 1: Punta Arenas

Check in and luggage drop off is at the Cruceros Australis office, between 13:00hrs and 17:00hrs (1pm-5pm) at 1385 O'Higgins Street (at Arturo Port) on Punta Arena's waterfront. Boarding commences at 18:00hrs (6pm) with departure scheduled at 20:00hrs (8pm). All passengers must be on board the vessel at least one hour before departure. Please note your luggage will be taken to your cabin. After a welcoming cocktail reception hosted by the Captain and his crew, the ship will depart for one of the remotest parts of the planet. Our trip will take us through the Strait of Magellan and Beagle Channel to explore one of the most breathtaking wilderness regions in the world: Southern Patagonia, which includes the Tierra del Fuego archipelago.

AVAILABLE

#### DAY 2: Ainsworth Bay - Tuckers Islets

At dawn, we will navigate our way through Almirantazgo Sound, arriving at Ainsworth Bay which is sited within Alberto De Agostini National Park. It's the perfect spot from which to see the Marinelli Glacier descending from Darwin Mountain Range in the distance; and to appreciate how the land returns to life after glacial retreat. We will also take a walk to a beaver dam in the stunning sub-polar Magellan Forest. Whether on the beach or the island, there's a good chance of sighting Southern Elephant Seals. But do bear in mind the fact that sightings cannot be guaranteed due to the colony's unpredictable movements. Later, we will be sailing to Tuckers Islets, and after lunch, we will board well-equipped Zodiac boats to get close to a colony of Magellan Penguins (indigenous to the Southern Hemisphere) and cormorants. \* In September and April, this excursion is replaced by a short walk to a nearby glacier at Brookes Bay.

## DAY 3: Pia Glacier - Glacier Alley

We will navigate along the northwest arm of the Beagle Channel before disembarking at Pia Fjord. From there, we'll take a short hike to a panoramic viewpoint from where we can enjoy spectacular views of the awe-inspiring Pia Glacier whose main tongue extends from the mountaintops down to the sea. After this memorable experience, we will continue our voyage along the Beagle Channel through the majestic Glacier Alley.

## DAY 4: Wulaia Bay - Cape Horn

During the morning we will be sailing through Murray Channel, going ashore at historical Wulaia Bay, originally the site of one of the region's largest Yamana aboriginal settlements. Charles Darwin landed there in 1833 during his voyage on the HMS Beagle. This area is also renowned for the mesmerizing beauty of its vegetation and geography. We will take an enchanted walk through the Magellan Forest of lengas, coigües, canelos, ferns, and other endemic vegetation, to reach a panoramic viewpoint. In the afternoon we will go South through Nassau Bay to reach Cape Horn National Park, where, weather permitting, we shall go ashore. The legendary Cape Horn was discovered in 1616 and is a sheer 425-meter (1,394-foot) high rocky promontory. For many years it was an important navigation route between the Pacific and the Atlantic, and is referred to as the 'End of the Earth'. The park was declared a World Biosphere Reserve by UNESCO in 2005.

## DAY 5: Ushuaia

Disembarkation in Ushuaia. Stella Australis: arrival at 08:30 a.m. and 9:30 am according to date of departure.
