

OCEAN ENDEAVOUR ANTARCTICA

Chimu Adventures Groups Policy on Ocean Endeavour 2020/2021 Voyages

- Groups are defined as 10 or more passengers.
- Group bookings are sold at 20% NETT off full gross price excluding any discounts or promotions.
- Allocations can be held subject to availability for 90 days with no deposit on file if more than 14 months from departure (at end of 90-day allocation period).
- Passengers will be confirmed on receipt of full passenger's details and voyage deposit.
- Within 14 months of departure, unsold allocations can be continued to be held with a non-refundable USD\$500 per person holding fee on file. USD\$500 holding fee may be waived if less than 50% of allocation has been sold.
- All unsold allocations held on USD\$500 holding fee must be released 9 months prior to voyage departure. At this time remaining deposit must be paid to confirm the remaining passengers.
- For Groups on the Ocean Endeavour, the sell price will be updated on the 1st of January and 1st of July each year. If your initial 90 day hold period falls over these dates, then the price will be updated only once your 90 day hold period has expired.
- Allocations will split over a number of cabin categories. Exact breakdown of the categories to be confirmed at time of the allocation being held. Once your allocation is sold, additional cabins can be free sold subject to availability at the same pricing structure.
- 15 paying passengers = 1 x FOC. 30 paying passengers = 2 x FOC and so on. This can be prorated after a minimum of 8 full paying passengers until 15 full paying passengers. Example: 8 pax confirmed equals a 53% discount for escorts, 9 pax confirmed = 60% discount for escorts and so on. Discount is off full gross price and is non-commissionable.
- FOC Berth must be on the same cruise departure.
- FOC Berth is based on the cheapest cabin category the group has booked on the departure.
- Groups should be on the basis they are packaged with a minimum 4 day/3 night Chimu package in South America.
