

# FROM HEAD TO TOE

## Expedition Essentials

Packing is often the least popular aspect of any holiday – put packing for the Polar regions can be particularly daunting. It is one of the most extreme environments you are ever likely to find yourself in, so staying warm and dry is vital when the weather is so changeable. But don't worry, we have you covered.

### Dressing for shore landings:

A full packing list will be provided that offers detailed information on what to pack to help you prepare for your Antarctic voyage. Please ask your booking agent.

# OUR PROVIDED EXPEDITION GEAR

Staying warm and dry during your voyage is vital. Our expedition gear has been carefully selected and has all the important features to ensure maximum enjoyment on your Antarctic adventure.

You will receive a quality-manufactured Polar parka, included with every voyage you take with us.

Our Expedition Jacket, meticulously designed by our expert team based on many years of experience in harsh environments, is two-fold:

- + a robust outer layer engineered to defy even the toughest polar weather conditions, provided to you on loan
- + and a lightweight insulated inner layer. Designed to be worn under your outer layer during off-ship excursions but also a great outer layer for your time on board the ship, yours to take home at the end of your journey as a reminder of your epic adventure to the White Continent!

## EXPEDITION PARKA

### ON LOAN

A water repellent coating on the outer layer helps to move moisture away from the body, making this a breathable and light jacket. With high-vis elements, large pockets for easy accessibility and watertight seals, this is the perfect parka to keep you warm and dry on ship-to-shore zodiac excursions in all kinds of weather.

## INSULATED INNER JACKET

### YOURS TO KEEP

Made out of 100% recycled synthetic fibers, our vegan 600 fill insulated puffer jacket will keep you warm even on the wildest days of the expedition. With a Durable Water Repellent (DWR) finish – which encourages water to bead off the fabric's surface, the jacket was produced using sustainable chemistry with minimal impact on people and the environment.

A great memento to take home at the end of your voyage to remember your incredible Antarctic adventure!

## MUCK BOOTS

### ON LOAN

We will provide black Muck rubber boots for the entire duration of the voyage. They are specifically engineered to deliver grip and performance on snow and ice while keeping your feet warm and dry.

More information about all expedition gear including sizing options, as well as a full packing list will be provided to you on confirmation of your Ocean Endeavour Antarctica expedition.
