GREG MORTIMER

Built to world-class polar standards, the Greg Mortimer is a state of the art, custom-built expedition ship. Due to be launched in 2019, this modern, robust and powerful 104-metre ship is at the cutting edge of nautical technology. With its patented Norwegian-designed X-BOW, the Greg Mortimer is capable of negotiating the strongest winds and waves, and the most adverse weather conditions.

Technical Information

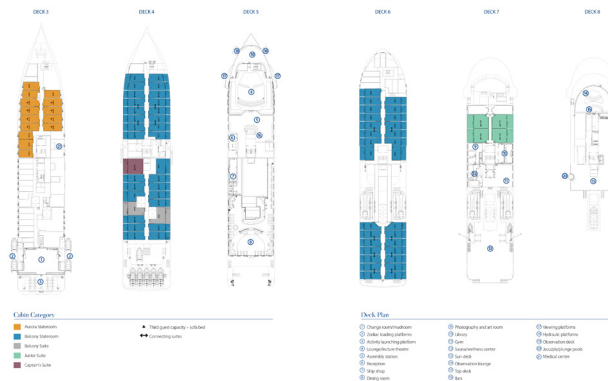

- Built:** 2019
- Length:** 104.4m (342 ft)
- Breadth:** 18.2m (59 ft)
- Draught:** 5.3m (17 ft)
