LE BORÉAL

Sailing under the French flag, Le Boréal is a superb mega-yachts that was built in Italy with a sophisticated French design. With its tasteful décor and discreet elegance, the ship blends luxury and intimacy with well-being in a unique atmosphere. Superior materials, discreet elegance and a tasteful décor reflect a nautical mood subtly revisited. Aboard, soothing neutral grey tones are enlivened by splashes of red, our signature theme linking tradition and innovation to create personal touches in the spirit of a "private yacht". The 132 cabins comprise staterooms and suites and can accommodate up to 264 passengers.
