

RCGS RESOLUTE

The RCGS Resolute, a purpose built polar expedition vessel, is joining the One Ocean Expeditions fleet in November 2018. Designed for comfort, RCGS Resolute is modern, well appointed, safe and ice-strengthened. Throughout the ship there are spaces ideally suited to every need. Spacious outer decks provide 360 degree viewing platforms perfect for photography, wildlife watching, birding and appreciating expansive views. There is an open-bridge policy and guests are welcome to meet the navigating crew at virtually any time of day; there's always something to learn from the officers on watch and the bridge is one of the best places on the ship for spotting whales and sea birds.

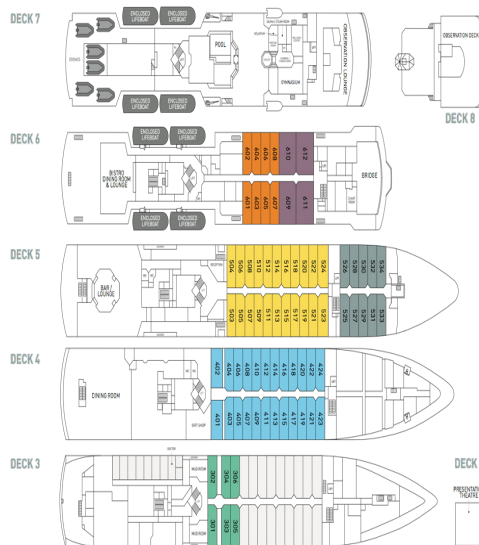

Technical Information

- Length: 122.8 meters (402.9 ft)
- Beam: 18 meters (59.1 ft)
- Draft: 4.97 meters (16.3 ft)
- Cruise speed: 14 knots
- Passenger capacity: 146
- Ice class: 1A

Safety Features

The expedition staff and crew onboard have the deepest respect for changeable weather in the polar regions and the varying sea and ice conditions. It is apparent in every decision. The ship carries the most extensive inventory of safety equipment on all excursions and require leaders to undergo vigorous and effective safety training programs.

Deck Plan
