

WORLD EXPLORER

New luxury vessel launching for the 2018/2019 season. Designed with polar travel in mind, its luxurious all-suite, all-balcony design will ensure clients never miss a stunning view. Distinct and comfortable, refined and roomy—these attributes and more describe World Explorer. It is not only the fastest ship that belongs to Quark Expeditions, but it will also be one of the finest. World Explorer delivers plenty of public areas to unwind in after a day outdoors. Blending high design with total functionality, World Explorer is all set to be your home away from home on the seas. For the active adventurers, add-ons include kayaking, camping and stand-up paddleboarding.
