

ARGENTINA - BUENOS AIRES IN STYLE

INTRODUCTION

This five-day tour offers a chance to explore the dynamic, sophisticated and irresistible city of Buenos Aires, also known as the 'Paris of the South.'

ITINERARY

DAY 1: Arrival transfer in Buenos Aires

On arrival, please make your way through to the Arrivals Hall where our representative will be waiting for you to transfer you to your hotel. This service includes a driver and local English speaking guide, who will provide you with any useful information needed for your stay. He/she will be holding a sign with your name on it.

DAY 1: Buenos Aires

Buenos Aires, Argentina's elegant, historic and cosmopolitan capital, is known as the "Paris of the South" due to its European atmosphere with glamorous avenues lined with fashionable shops and Parisian-style restaurants and cafes. Located on the western shore of the estuary of the Río de la Plata, Buenos Aires has many fascinating neighbourhoods to explore including the colourful and lively La Boca, home to art galleries and tango shows; San Telmo with its restored mansions and antique stores and Recoleta, the city's most exclusive area.

DAY 1: Buenos Aires - Rojo Tango Dinner & Show

The Faena Hotel, where Rojo Tango is located, is a five star hotel in the upscale Puerto Madero district. Designed by the famous Alan Faena, the brick hotel is a beautiful setting for this dramatic, cabaret style tango show. The Rojo Tango dinner and show promises “love, passion, madness and glamour” expressed through the beauty and history of tango. The venue is all red - the curtains, carpeting and chairs— the show plays to this ambiance of romance and melodrama and is more glam than tradition - but is still good fun and the food is tasty.

DAY 2: Buenos Aires City Tour

This morning (or afternoon if you prefer) you will be collected by a local guide and a driver for a tour of Buenos Aires. The guide will take you on and off the beaten track in this lively and beautiful city. You will have a car at your disposal, but we recommend getting out and walking for some of the tour. Obviously the tour will take in the main highlights, but we would prefer to tailor the trip to your liking. It could be that you want to see more of the main sites, or it could be that you wish to stroll amongst the small local boutiques of Palermo or the Parisienne buildings of Recoleta. Duration: 5 hrs.

DAY 2: Cheese and Wine tasting at Park Hyatt - Malbec

Relax in the peaceful and beautiful courtyard on the ground floor of the Park Hyatt Hotel, La Vinoteca, and enjoy a selection of specially selected artisanal regional cheeses chosen from the unique ‘Cheese Room’ by the Maître Fromager along with the best Argentinean and international wines matched by the Sommelier. These exquisite cheeses are served with assorted chutneys, dried fruits, and fresh home-baked breads. This is the perfect experience to relax and unwind after a day of exploring. Suggested cheeses to pair with your wine: Brie, Camembert, Gruyere, Reblochon. Includes private transfer from and to your hotel.

DAY 2: Neighbourhood Food Tour - Optional Tour

Optional Tour: Today we invite you to participate in a famous and typical Argentine barbecue

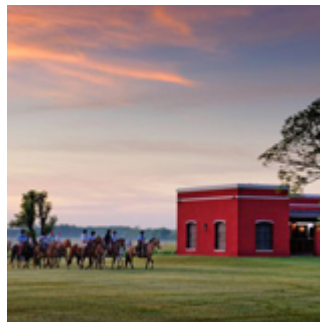

DAY 3: Chimu Exclusive Dinning Experience

Enjoy a cooking demonstration in the home of renowned Argentine chef Fernando Mayoral. A charming host and excellent chef, Fernando is best known for his Modern Argentine cooking. This unique dining experience will tantalise your senses. From mouth-watering Beef empanadas, Grilled beef, to the classic chimichurri. This is every food lover's dream! For those with a sweet tooth, you will love the unique Argentine sweets on offer, as well as a 4 cheese tasting platter. This flavoursome experience will undoubtedly add real value to any visit to Buenos Aires.

DAY 4: Estancia day at la Bamba

Few are the places that are so close to the City yet so secluded and tranquil. At only 123 kilometers from Buenos Aires, La Bamba de Areco, offers precisely what the Celtic origin of its name translates to; a place to rest. La Bamba de Areco's staff is proud to present the heritage of its region through a number of equine and folkloric demonstrations. As one of the first estancias to open to the public and one of Argentina's oldest properties, La Bamba de Areco is heavily anchored in its local surroundings. As such, it would be unimaginable to suggest an excursion to our Estancia without taking the time to discover the town San Antonio de Areco, birthplace of the gaucho tradition and home to some of the country's most skilled leather and silver craftsmen. *Includes guide and transfers

SUSTAINABILITY

Chimu Adventures undertakes a number of sustainability measures within its operations including:

- 1) Only using local guides and office staff to both maximise local employment opportunities and minimise carbon footprints. Local guides also ensure you benefit from the intimate knowledge, passion and culture of the country you're visiting.
- 2) Where possible, using locally owned and operated boutique hotels to maximise the return to the local community.
- 3) Chimu's "Pass it on" programme has provided funding to hundreds of local community projects in Latin America. Our aim is to empower local communities, helping them to develop their own infrastructure for the future. Since 2006, we have been working with Kiva (a well-known Non-Governmental Organisation), providing hundreds of loans to local businesses all over South America.

4) In our pre tour information we provide a range of tips and advice on how to minimise your impact on both local environments and communities.

5) Chimu Adventures' offices also take a number of sustainability measures including carbon offsets for company vehicles and most staff travel. Chimu Adventure's internal processes are also structures to create a paperless office and to reduce waste. There are also internal programmes to help staff minimise their carbon footprint such as our staff bike purchase assistance plan which encourages office staff to commute to work via bicycle. Currently almost half of our office based staff commute to work via bicycle.
