DAY 1: Buenos Aires

Buenos Aires, Argentina's elegant, historic and cosmopolitan capital, is known as the "Paris of the South" due to its European atmosphere with glamorous avenues lined with fashionable shops and Parisian-style restaurants and cafes. Located on the western shore of the estuary of the Río de la Plata, Buenos Aires has many fascinating neighbourhoods to explore including the colourful and lively La Boca, home to art galleries and tango shows; San Telmo with its restored mansions and antique stores and Recoleta, the city's most exclusive area.

DAY 2: Highlights of Buenos Aires City Tour

You will be collected from your hotel for your three-hour tour visiting the most important highlights of the city of Buenos Aires. Discover the history of the Plaza de Mayo Square, the site of Argentina's most important historical events - see its surroundings and the most emblematic buildings and learn all about them. Then enjoy Mayo Avenue and wonder in awe at the oldest residential neighbourhood in Buenos Aires: San Telmo. Live and feel the original Tango in the neighbourhood of La Boca: walk along Caminito Street and enjoy the Dancers and souvenir shops. See the mythical Boca Juniors soccer stadium. Contemplate the modernization of the city whilst traveling along Puerto Madero and its exclusive docks, full of excellent restaurants and large offices. Pass through the Retiro neighbourhood and move on to see Palermo and its most exclusive residential area before finally arriving at Recoleta. Here, discover the final resting place of Eva Peron, "Evita" and wander through Recoleta Cemetery where she is to be found. On completion of your tour, you will be taken to your hotel. Please note this is a small group tour.

DAY 2: El Querandi Tango Show & Dinner

This evening you will be collected from your hotel to experience a Tango Show with dinner. This is an intimate & passionate tango show, housed in a cozy wood-panelled 19th century building with a colourful history as a meeting point for poets and students in the heart of Buenos Aires's historic centre. After being abandoned in the late 1970s, the bar was restored and reopened in 1992 as El Querandi Tango Hall. The show is directed by Claudio Campos, with musical arrangements by Ado Falasca, and it smoothly charts the history of Argentina's most authentic artistic expression from its origins to the modern day. The dinner is better than many, and at just over an hour long, the show is the perfect length. The three house singers, six dancers and four musicians put on a great show. Dinner will be served from 8.30pm followed by the show commencing at 10.00pm. Please note timings are subject to change and will be confirmed directly to you. On completion of the show, you will be taken to your hotel. Please note this is a small group tour.

DAY 11: Iguazu Argentinian Falls

Early morning pick up from your hotel for your full day of exploring the Argentine side of the falls. This tour always starts early in order to beat the crowds and get the first train to the Devil's Throat. There are walkways over the islands which take you to a balcony over the falls and the most spectacular view of the entire Devil's Gorge. You will then have plenty of time to walk the 800 metres of paths on the upper circuit. These new suspended walkways are detached from the jungle surface so as to protect the fauna by preventing disruption of the natural trails. From this circuit you have a higher sight of the falls, providing you with a magnificent panoramic view. It takes around one hour to cover the upper circuit. The lower circuit contains 600 metres of walkways, also detached from the jungle floor, and has great views from below and around the falls. Once you have finished all the circuits, return to the visitor centre where your vehicles will be waiting to transfer you back to your hotel. Please note there is some degree of difficulty as the path includes many stairs, particularly on the lower circuit. National Park fee is included. On completion of the tour, you will be taken to your hotel. Please note this is small group tour.

SUSTAINABILITY

Being environmentally accountable is a crucial part of our organisation. Chimu is currently striving towards using less paper, taking several initiatives to do so and tracking our progress along the way. Our goal: A paperless organisation. For this reason, all information given to you will be sent electronically. We encourage those who choose to travel with us to support our aspirations and actions and ask that you reconsider printing out documentation. To view these documents, you can download them to your iPad or portable computer before and during your trip.

Chimu is passionate and dedicated to sustainability measures and understands the crucial part sustainability plays within the tourism industry.

We use local guides and office staff to both maximise local employment opportunities and minimise carbon footprint. Local guides also ensure you benefit from the intimate knowledge, passion and culture of the country you're visiting. Our guides are all highly qualified (most with university degrees) or equip with many years of experience and are paid above the standard wage. Whether it be our knowledgeable local guides, locally produced meals or the transport on tour, we do not use imported goods when local products are available. We aim to minimise our impact on the environment and give as much back as possible to the communities we work in.

While visiting the many national parks, heritage sites, museums and landmarks our travellers are encouraged to explore remain culturally aware and sensitive. We further encourage you to buy appropriate souvenirs and discourage the buying of anything wrongfully made or taken from the environment i.e. shells and endangered species products. Information on how you can be environmentally conscious, and travel responsibly will be made available in our Travellers Guides and provided during your travels by guides and staff.
