### DAY 1: Iguazu

The spectacular Iguazu Falls that straddle the Argentine-Brazil border, are made up of 275 individual waterfalls lining a 2.7km wide horseshoe-shaped gorge. The Falls are located where the Iguazu River cascades over the edge of the Paraná Plateau. The Falls can be viewed from both the Argentinian and the Brazilian sides, the Brazilian side offering a broader, panoramic view, with the Argentinian side offering a series of catwalks that allow you to experience the Falls from close range.

**DAY 1: Iguazu Falls - Argentinean Side**

After an early morning pick up from your hotel, we travel to the Argentinean side of the Iguazu Falls. Beginning at the visitor's centre, we take a ride on the Rainforest Ecological train before exploring the upper and lower circuit footbridges. The footbridges, which are raised off the jungle floor, provide panoramic views from above and below the falls. A visit to Devil's Gorge arguably the most spectacular falls, is one of the day's highlights.

**DAY 2: Half Day Tour - Iguazu Falls - Brazilian side**

Today we see the falls from the Brazilian side of the border. After arriving at the visitor centre, we board buses for a tour of the park. Equipped with panoramic windows, the buses are designed to maximize your views of the falls, while the walkways and steps allow you to get up close to the spray. Views of the Floriana Falls, the Devil's Gorge Canyon and the Iguazu River are spectacular and are guaranteed to impress.

**DAY 3: Transfer to the airport for onward destination**

You will be collected from your hotel at the appropriate time and transferred to the airport for your onward flight.

**DAY 3: Pousada Piuval: Arrival**

Welcome to the Pantanal, a UK-sized montage of seasonally flooded savannahs and tropical forests, which expand across millions of hectares of central-western Brazil, eastern Bolivia and eastern Paraguay. With its extraordinarily concentrated and varied flora and fauna and diverse ecological sub-regions, the Pantanal stands as one of the world's great natural wonders. Today we meet you at Cuiaba airport, and travel to the lodge around 110km away. Built on a 7,000-hectare cattle farm, Piuval is surrounded by some of the most beautiful landscape in the Pantanal. On arrival you will have a chance to settle in before we set off on foot with our expert guides in search of wildlife. We return to the lodge to enjoy dinner.

## DAY 6: Salvador

Salvador, in Brazil's north eastern state of Bahia, was once the magnificent capital of Portugal's New World colony. It is known for its vibrant Afro-Brazilian culture, 17th and 18th century Portuguese colonial architecture and tropical coastline. The historic heart of the city is the Pelourinho neighbourhood where cobblestone alleys open onto large squares lined with ornate churches and colourful buildings. Most nights you will hear Olodum drummers pounding out powerful rhythms on the streets. The heritage of the descendants of African slaves is well preserved here, from music and religion to food and dance.
