

SOUTH AMERICA - RIO CARNIVAL EXTENSION

INTRODUCTION

Experience Carnival, an event that is an intrinsic part of the identity of Rio. Watch as it comes alive like no other time of the year as the sounds of Samba and vibrant colours begin to overwhelm the streets.

Rio Carnival has become world-famous through the Samba Parade, a show, a competition, and an incredible display put on by the Brazilian samba dance schools. Carnival, the famous Brazilian festival, will take place between the 17th February 2023 and the 22nd of February 2023 (approximately). During the festival, there is a huge contest among the samba schools. These samba communities all have their own distinguishing, colourful, costumes and will parade at the "Sambodromo" where people can either watch from the grandstands or, if planned well enough ahead, even dress up and participate in the parade themselves. This festival has become known as one of the greatest parties in the world. Each samba school's parade takes around 90 minutes and there is only one winner. Each night the parade starts around 8:00 PM and continues until 6:00 AM the next morning.

On this all-encompassing personalised itinerary, Chimu will provide travel logistics for your travel party for the duration of your journey, plus expert guides for all the major sightseeing as per the itinerary. Each night you will stay in your selected standard of accommodation (standard, superior or deluxe), handpicked by our experienced team for their creature comforts, convenient locations, and impeccable service.

crucial part sustainability plays within the tourism industry.

We use local guides and office staff to both maximise local employment opportunities and minimise carbon footprint. Local guides also ensure you benefit from the intimate knowledge, passion and culture of the country you're visiting. Our guides are all highly qualified (most with university degrees) or equip with many years of experience and are paid above the standard wage. Whether it be our knowledgeable local guides, locally produced meals or the transport on tour, we do not use imported goods when local products are available. We aim to minimise our impact on the environment and give as much back as possible to the communities we work in.

While visiting the many national parks, heritage sites, museums and landmarks our travellers are encouraged to explore whilst remaining culturally aware and sensitive. We further encourage you to buy appropriate souvenirs and discourage the buying of anything wrongfully made or taken from the environment i.e. shells and endangered species products. Information on how you can be environmentally conscious, and travel responsibly will be made available in our Travellers Guides and provided during your travels by guides and staff.
