

## CHILE - REMOTA LODGE EXPERIENCE

### INTRODUCTION

Torres del Paine National Park, located in the beautiful south of Chile, is a paradise of lakes and forests, and a perfect match for trekking and outdoor activities. You can choose from low difficulty walks up to guided excursions. Alternatively ride in vehicles to get to know Grey Glacier or do a little quiet sailing. Discover Torres del Paine and enjoy the warmth and luxury of Remota Lodge.

Remote is located just outside of the town of Puerto Natales, a 5 minute drive from the airport and is a great jumping off point for excursions into the National Park and for exploring Patagonia.

## CHILE - REMOTA LODGE EXPERIENCE

### DAY 1: Remota Lodge - Arrival

As you step off the plane at Punta Arenas or Puerto Natales Airport, a warm greeting from a Remota Lodge Patagonia representative awaits you. Travel from the airport to the lodge in a comfortable vehicle on well-maintained roads, providing a breathtaking introduction to the vast and awe-inspiring Patagonian pampas. Nestled on the shores of the Última Esperanza Sound, Remota Lodge Patagonia is a 5-star all-inclusive resort that offers an ideal haven for exploring the natural wonders of the Chilean Patagonia and Torres del Paine National Park. The hotel's architecture is inspired by the traditional Patagonian shearing sheds, and its seamless integration with the local environment has earned it the National Architecture Prize. Guests can relish in the luxurious amenities offered by the lodge, including a heated pool, saunas, jacuzzis, bars, and lounges, while still immersing themselves in an authentic Patagonian ambiance. The lodge provides a welcoming retreat after a day of exploring, where guests can unwind in their comfortable accommodations, enjoying the tranquility of the surroundings. \*Your stay at Remota Lodge, includes either a full-day tour or two half-day tours from the excursion menu, which includes activities such as hiking in Torres del Paine, horseback riding, a day at the Estancia, a city tour of Puerto Natales, mountain biking, and tours of Patagonian lakes and caves. Note that extra activities are also available for an additional cost, and can be arranged locally. \*Note that the sequence of the excursion as well as the logistics and/or duration might change depending on weather conditions.

## CHILE - REMOTA LODGE EXPERIENCE

### DAY 2: Exploring Torres del Paine National Park

Today you have the opportunity to customize your day by choosing either one full day tour or two half day tours from the soft excursions menu. Available activities include Torres del Paine national Park hiking, horsebackriding, Estancia day, Puerto Natales City tour, mountain biking, Patagonian lake navigation and cave tour, among others. The itinerary described below is just a sample of what is possible and can be tailored to your personal preferences. The experienced guides will be happy to assist you in choosing the best options for your interests and fitness level. Embark on a full day photographic safari through Torres del Paine, where we will focus on exploring the eastern side of the park, home to a variety of wildlife. The tour begins with a hike from the Sarmiento lake entrance to the Amarga Lagoon entrance, traversing the Patagonian steppe, known for its guanacos and pumas, with stunning views of the Paine massif in the distance. After reaching the Nordenskjöld lake lookout and Pehoe camp, enjoy lunch before continuing to the Paine river waterfall, the main artery of the park and the heart of its hydrologic network.

### DAY 3: Exploring Puerto Natales surroundings

Today, you will once again have the opportunity to customize your day by choosing either one full day tour or two half day tours from the soft excursions menu. The suggested itinerary detailed below serves as a sample and can be tailored to your preferences. This morning you will have the chance to join a morning half day tour that takes you on a scenic journey through the Milodon Cave route Y-290. After departing from the hotel by van, we will head towards one of the closest valleys to the town of Puerto Natales. From there, we will cross the Ventisquero Valley, which offers a glimpse of the diverse flora and fauna that can be found in Patagonia. The valley is home to a mix of Magellanic forests and pre-Andean bushland, with rushing waterfalls adding to the stunning scenery. As a Remota guest, you will have exclusive access to this hidden gem and be able to fully appreciate the natural beauty of the region. Be sure to keep an eye out for the local wildlife, which may include guanacos, foxes, and a variety of bird species.
