

INTRODUCTION

Known as the world's most beautiful river, Cano Cristales is born in the mountain La Serrania de la Macarena, deep in the Colombian Llanos. The underwater plants that grow in the river produce a spectacular kaleidoscope of pink, green, red and orange that with the deep blue of the river water, creates a unique landscape.

ITINERARY

DAY 1: Transfer Airport / Hotel in Bogota

On arrival, please make your way to the Arrivals Hall where our representative will be waiting for you to transfer you to your hotel. He/she will be holding a sign with your name on it. Should you not be able to locate them, please refer to the front of your itinerary for emergency contact details of our representative office. Please note this service is with local guide.

DAY 1: Bogota

Colombia's capital Bogotá is a vibrant and cosmopolitan city located in central Colombia on a vast plain 2,600m above sea level, cradled by the Andean mountains. The "Old City" of La Candelaria is the historic cultural centre of the city. Its cobbled streets are lined with colonial buildings housing museums, libraries, restaurants, hotels and bars set amongst convents, churches and homes that date back 300 years. Bogotá's most famous museum is the Gold Museum with over 55,000 pieces of gold, bone, ceramic and textiles from the Pre-Hispanic cultures such as the Tayrona, San Agustín, Chocó, Quimbaya, Muisca and Tierradentro.

SUSTAINABILITY

Chimu Adventures undertakes a number of sustainability measures within its operations including:

- 1) Only using local guides and office staff to both maximise local employment opportunities and minimise carbon footprints. Local guides also ensure you benefit from the intimate knowledge, passion and culture of the country you're visiting.
- 2) Where possible, using locally owned and operated boutique hotels to maximise the return to the local community.
- 3) Chimu's "Pass it on" programme has provided funding to hundreds of local community projects in Latin America. Our aim is to empower local communities, helping them to develop their own infrastructure for the future. Since 2006, we have been working with Kiva (a well-known Non-Governmental Organisation), providing hundreds of loans to local businesses all over South America.
- 4) In our pre tour information we provide a range of tips and advice on how to minimise your impact on both local environments and communities.
- 5) Chimu Adventures' offices also take a number of sustainability measures including carbon offsets for company vehicles and most staff travel. Chimu Adventure's internal processes are also structures to create a paperless office and to reduce waste. There are also internal programmes to help staff minimise their carbon footprint such as our staff
