## SOUTH AMERICA - HIGHLIGHTS OF COLOMBIA

### DAY 1: Arrival in Bogota

Colombia's capital Bogotá is a vibrant and cosmopolitan city located in central Colombia on a vast plain 2,600m above sea level, cradled by the Andean mountains. The "Old City" of La Candelaria is the historic cultural centre of the city. Its cobbled streets are lined with colonial buildings housing museums, libraries, restaurants, hotels and bars set amongst convents, churches and homes that date back 300 years. Bogotá's most famous museum is the Gold Museum with over 55,000 pieces of gold, bone, ceramic and textiles from the Pre-Hispanic cultures such as the Tayrona, San Agustín, Chocó, Quimbaya, Muisca and Tierradentro.

### DAY 2: Half Day Tour Bogota

After breakfast enjoy a half day visit to the historic centre known as La Candelaria. This antiquated barrio is of great architectural and cultural heritage and has beautiful architecture. Visit the Plaza de Bolívar, where a statue of the great liberator Simon Bolívar is located. This Plaza, originally called the Plaza Mayor, was used for civil and military purposes, as a marketplace, a bullring and a gallows. Then visit the Museo Botero, a colonial house filled with works of art (that includes pieces by Picasso, Renoir, Dalí, Matisse, Monet and Giacometti). Next is the Museo del Oro that has a permanent exhibition of some 32,000 pieces of gold, 20,000 stones, ceramics and textiles. The Museo del Oro is considered as one of the most important museums of its type internationally and it has been functioning since 1939. Free afternoon for individual activities (we recommend visiting the city's various museums).

### DAY 3: Arrival in Cartagena

The beautiful city of Cartagena lies within massive fortifications on Colombia’s northern coast. The walled city and fortress were designated a UNESCO World Heritage Site in 1984. The old town is a maze of cobbled streets, plazas, churches and bougainvillea-covered balconies. Its rich architecture includes Spanish colonial buildings, the Palace of the Inquisition, the Clock Tower and the Castle of San Felipe de Barajas.

### DAY 4: Half Day Panoramic Tour Cartagena Private

Starting with a panoramic view of the city from the Monasterio and Iglesia de La Popa, you will continue to the San Felipe fortress, built on San Lázaro hill to defend the city from pirate attacks. Walk around the fortress and learn how the castle was constructed with its engineering feats, tunnels, underground galleries and passageways. Then go on to the Ciudad Vieja (Old City) to visit the Church of the San Pedro Claver compound that was built in the middle of the XVII century and owes its name to the “apóstol de los esclavos”. Lastly, visit the handicrafts zone of the Bovedas, a collection of archways built into the city wall of Cartagena that were used until the end of the 1700’s to house armaments and then later as a prison in the XIX century. Nowadays it’s an artisan centre for local handcrafts.

### DAY 5: Full Day Rosario Islands Tour

Cruise by boat to the Rosario Islands, located 45km southeast, approximately one hour from Cartagena bay. Leaving in the morning to allow a full day of dipping in the Caribbean Sea in the company of marine wildlife. The national park is surrounded by coral reefs and lapped by clear blue waters and is the natural habitat for a large variety of marine fauna. Three ecosystems thrive here: coastal lagoons, mangroves surrounding them and tropical forest. Once you arrive at “San Pedro de Majagua” island, you’ll have free time for snorkelling and relaxation. The only programmed activity is a delicious typical lunch prepared with local produce. The boat will leave back to Cartagena pier in the late afternoon, on arrival you will be returned to your hotel.

## SUSTAINABILITY

Being environmentally accountable is a crucial part of our organisation. Chimu is currently striving towards using less paper, taking several initiatives to do so and tracking our progress along the way. Our goal: A paperless organisation. For this reason, all information given to you will be sent electronically. We encourage those who choose to travel with us to support our aspirations and actions and ask that you reconsider printing out documentation. To view these documents, you can download them to your iPad or portable computer before and during your trip.

Chimu is passionate and dedicated to sustainability measures and understands the crucial part sustainability plays within the tourism industry.

We use local guides and office staff to both maximise local employment opportunities and minimise carbon footprint. Local guides also ensure you benefit from the intimate knowledge, passion and culture of the country you’re visiting. Our guides are all highly qualified (most with university degrees) or equip with many years of experience and are paid above the standard wage. Whether it be our knowledgeable local guides, locally produced meals or the transport on tour, we do not use imported goods when local products are available. We aim to minimise our impact on the environment and give as much back as possible to the communities we work in.

While visiting the many national parks, heritage sites, museums and landmarks our travellers are encouraged to explore remain culturally aware and sensitive. We further encourage you to buy appropriate souvenirs and discourage the buying of anything wrongfully made or taken from the environment i.e. shells and endangered species products. Information on how you can be environmentally conscious, and travel responsibly will be made available in our Travellers Guides and provided during your travels by guides and staff.
