

## INTRODUCTION

Discover the Galapagos Islands on board the M/V Origin, a luxury mega yacht that will take you between the islands in search of spectacular landscapes and an abundance of fascinating wildlife. See Pinnacle Rock, the Cathedral, the Chinese Hat and Frigatebird Hill. Snorkel with Galapagos penguins and swim or kayak with sea lions. The scenery is as diverse as the wildlife with lava fields, lava tubes, lagoons, sandy beaches, coral reef lined bays and cactus forests all waiting to be explored. Add to this the diverse range of birds, reptiles and sea mammals and the experience of a lifetime awaits.

This voyage is also available on board the sister ship [MV Theory](#)

## SUSTAINABILITY

Chimu Adventures undertakes a number of sustainability measures within its operations including:

- 1) Only using local guides and office staff to both maximise local employment opportunities and minimise carbon footprints. Local guides also ensure you benefit from the intimate knowledge, passion and culture of the country you're visiting.
- 2) Where possible, using locally owned and operated boutique hotels to maximise the return to the local community.
- 3) Chimu's "Pass it on" programme has provided funding to hundreds of local community projects in Latin America. Our aim is to empower local communities, helping them to develop their own infrastructure for the future. Since 2006, we have been working with Kiva (a well-known Non-Governmental Organisation), providing hundreds of loans to local businesses all over South America.
- 4) In our pre tour information we provide a range of tips and advice on how to minimise your impact on both local environments and communities.

5) Chimu Adventures' offices also take a number of sustainability measures including carbon offsets for company vehicles and most staff travel. Chimu Adventure's internal processes are also structures to create a paperless office and to reduce waste. There are also internal programmes to help staff minimise their carbon footprint such as our staff bike purchase assistance plan which encourages office staff to commute to work via bicycle. Currently almost half of our office based staff commute to work via bicycle.
