DAY 1: Lima

Lima, the capital of Peru, sits on the country's arid Pacific coast. Founded in 1535, its colonial centre is well preserved, but today Lima is a bustling metropolis and one of South America's largest cities. The city is home to the various museums including the Museo Larco that houses a collection of pre-Columbian art and the Museo de la Nación, tracing the history of Peru's ancient civilizations. Lima is known as the "gastronomical capital of the Americas", encompassing specialties from ceviche and traditional coastal cooking to refined global fare. It even boasts several of the top restaurants in the world.

DAY 2: Transfer to the airport for onward destination

You will be collected from your hotel at the appropriate time and transferred to the airport for your onward flight.

DAY 2: Transfer to the airport for onward destination

Overlooking the beautiful lake Umayo, Sillustani is considered to be one of the most important necropolises in the world.

DAY 2: Puno

Puno lies on the shores of Lake Titicaca, the highest navigable lake in the world. DAY 3: Titicaca Uncover by Speed Boat

Early this morning you will be collected from your hotel and transferred to the port to board a fully equipped speedboat with on board service to visit various islands on Lake Titicaca. First stop is Taquile Island where you will explore a scenic and less touristy area. Enjoy time on a pristine sandy beach to relax and feel the serenity of Lake Titicaca. We then hike along a pre-Inca trail with spectacular landscapes of the island, visiting families of weavers to learn about their textile art and symbolism. In 2005, "Taquile and its Textile Art" were proclaimed "Masterpieces of the Oral and Intangible Heritage of Humanity" by UNESCO. After three hours on Taquile, board the speedboat for a short journey to the community of Santa Maria-Llachon, on the tip of the Capachica Peninsula. This is a picturesque off the beaten track destination. We are welcomed by the small Quechua speaking community and introduced to an intensive cultural experience, observing the traditions of the community and participating in an ancient ceremony to learn about their magical world. Experience the preparation of "Pachamanca", a traditional way of cooking meat, fish and potatoes using underground ovens, and one of the main dishes of Peruvian cuisine. Enjoy these delicacies in a small, but scenic restaurant (included in tour price). For the more adventurous there is an optional kayak along the coast of Llachon. After lunch we leave Santa Maria and arrive at a remote area of the National Reserve of Lake Titicaca to explore Uros Ccapi. These are considered to be the last authentic floating islands, less commercial and little visited. The Uros are descendants of one of the oldest cultures in South America. There are optional tours in reed boats before we depart back to Puno. On arrival at the port, you will be transferred to your hotel. Please note this is small group tour. Please note there is a minimum number of passengers requested to operate this tour from December to March, if the required number of passengers is not reached we will offer you a similar alternative. Please also note that between the months of January and March the ceremony of "Pachamama" will be subject to weather conditions.

DAY 5: Sacred Valley Full Day Tour

This morning you will be collected from your hotel for your full day exploration of the Sacred Valley of the Incas. This fertile river valley was home to many important sites for the Incas, both strategic and religious. The first stop is the village of Pisac, with its famous market. The colonial village of Pisac sits at the base of the spectacular Pisac Ruins – a hilltop Inca citadel and fortress with impressive agricultural terracing. On market days Pisac comes alive with locals from nearby hillside villages in traditional dress selling local fruit and vegetables as well as handicrafts. There is free time to wander the colourful market stalls before a typical Andean lunch at a local restaurant. Continue your journey along the River Urubamba, to Ollantaytambo. The town, which is dominated by a giant Inca fortress, is perhaps the best surviving example of Inca town planning and was the scene of a rare Inca victory over the invading Spanish. At the end of the tour you will be transferred to the train station in Ollantaytambo to take the train to Aguas Calientes. Lunch is included. Included in your tour price is the BTG (Tourist Ticket of Cusco) which allows you entrance into 16 attractions around Cusco in ten days. Please note this is a small group tour.

DAY 6: Machu Picchu Guided Tour

Machu Picchu is a 15th century Inca site, located 2,430 metres above sea level on a mountain ridge above the Sacred Valley. It is the most famous of all Inca sites, but it was not until 1911 that it was brought to the world’s attention by the American historian Hiram Bingham. The Incas abandoned the city just prior to Spanish colonisation, the city was never pillaged and as a result the ruins are still in fantastic condition. With its location on a dramatic ridgeline surrounded by sheer cliffs and the Urubamba River on three sides, the city of Machu Picchu is a remarkable place to visit. Machu Picchu was declared a UNESCO World Heritage Site in 1983 and in 2007 it was voted one of the new Seven Wonders of the World. The tour starts with a bus ride from Aguas Calientes to Machu Picchu. You will be astonished at your first view of Machu Picchu, a stunning display of ancient architecture with incredible surroundings. Enjoy a guided shared tour of the ruins and monuments such as the Main Square, the Circular Tower, the Sacred Solar Clock, the Royal Quarters, the Temple of the Three Windows and the Cemeteries. Return by bus to Aguas Calientes village. Please be aware that your tour of Machu Picchu does not include an entry permit to Huayna Picchu (the iconic hill behind the Machu Picchu ruins). If you want to climb Huayna Picchu then you need to pre-book your permit with at least 3 months in advance. Please contact your travel specialist if you would like to do this.

DAY 10: El Querandi Tango Show & Dinner

This evening you will be collected from your hotel to experience a Tango Show with dinner. This is an intimate & passionate tango show, housed in a cozy wood-panelled 19th century building with a colourful history as a meeting point for poets and students in the heart of Buenos Aires's historic centre. After being abandoned in the late 1970s, the bar was restored and reopened in 1992 as El Querandí Tango Hall. The show is directed by Claudio Campos, with musical arrangements by Ado Falasca, and it smoothly charts the history of Argentina's most authentic artistic expression from its origins to the modern day. The dinner is better than many, and at just over an hour long, the show is the perfect length. The three house singers, six dancers and four musicians put on a great show. Dinner will be served from 8.30pm followed by the show commencing at 10.00pm. Please note timings are subject to change and will be confirmed directly to you. On completion of the show, you will be taken to your hotel. Please note this is a small group tour.

DAY 11: Arrive in Ushuaia, Argentina

Ushuaia is the most southerly city in the world and the capital of Tierra del Fuego (Land of Fire). It has a dramatic setting, surrounded by mountains to the north and the Beagle Channel to the south, making it a spectacular departure point for your Antarctic adventure. On arrival at Ushuaia Airport, please make your way through to the Arrivals Hall where our representative will be waiting for you to transfer you to your hotel. He/she will be holding a sign with your name on it. Should you not be able to contact them, please refer to the front of your itinerary for emergency contact details of our representative office. Your cruise itinerary begins with an overnight stay in Ushuaia. If you arrive into Ushuaia early enough, the day is yours to explore. Avenida San Martin and the surrounding streets are where most hotels, shops, restaurants, cafes and tourist services are located. The Museo Marítimo y del Presidio de Ushuaia (Maritime & the Prison of Ushuaia Museum) is well worth a visit. Located in the former prison of Ushuaia, the prison buildings now house four museums - the Maritime Museum, the Prison Museum, the Antarctic Museum and the Marine Museum of Art. The buildings date back to 1906 when convicts were transferred from Isla de los Estados to Ushuaia to build this national prison. Construction was completed in 1920 and the cells that were designed for 380 inmates, held up to 800 prisoners before closing in 1947. Tierra del Fuego National Park is a short bus ride from Ushuaia and was the first shoreline national park established in Argentina. It is a rugged, mountainous park with great views of Lapataia Bay and dramatic scenery of waterfalls, mountains, glaciers and lakes. There are many hiking trails within the park including the Coastal Path (Senda Costera) that connects Ensenada Bay to Lapataia Bay on Lago Roca. The park is home to many species of animal including the guanaco, Andean fox, North American beaver, European rabbit and muskrat. There are also many species of birds including the torrent duck, kelp goose, austral parakeet, Andean condor and the Magellanic oystercatcher. The Fin del Mundo Train (End of the World Train) is a steam train that runs from Ushuaia to Tierra del Fuego National Park, providing an alternative way to get to the park.

DAY 13: At Sea - Day 3 & 4

As we leave the Beagle Channel, prepare yourself for potentially rough seas as we enter the legendary Drake Passage. This infamous and unpredictable channel of water separates the southernmost tip of South America from the tip of the Antarctic Peninsula. It was named after the English explorer, Sir Frances Drake. As we head southwards, there is time to get to know your shipmates and get an insight into the excitement ahead with presentations from the Expedition Team on everything Antarctic - from the history and geology to the incredible wildlife. We will notice a drop in temperature as we cross the Antarctic Convergence and enter the waters of the Antarctic Ocean. At the Antarctic Convergence, the colder polar waters flowing north meet the warmer equatorial waters flowing south. This mixing pushes nutrient rich waters to the surface, attracting a variety of seabirds, whales and other species. Look out through the panoramic observation windows or brave the elements outside on deck as you keep your eyes peeled for albatrosses flying overhead, icebergs and maybe even breaching whales. Leaving the Antarctic Convergence in our wake, we continue south towards Antarctica, maybe making landfall by early evening on Day 4, if conditions are favourable. The first sighting of land always brings great excitement, and is often embraced as the true beginning of any Antarctic expedition.

DAY 15: South Shetlands & Antarctica - Day 5 to 8

For the next four days we explore the South Shetland Islands and Antarctic Peninsula that is famed for its majestic mountains, glaciers, imposing icebergs, ice-strewn waters and abundance of wildlife. The scenery, wildlife and serene silence of Antarctica will enchant and enthral and you will soon realise why this region has captivated the attention of explorers and travellers for centuries. Your days on the Antarctic Peninsula will form the core of your adventure. Every day will be different as we cruise by Zodiac amongst the beautifully sculpted icebergs and take Zodiac excursions from the ship to explore local bays, channels and landing sites. Unpredictable weather and ice conditions mean that the itinerary will be flexible, but will make the most of wildlife sightings, as we aim to explore penguin rookeries, seal and bird colonies, whale feeding areas as well as visiting sites of historic and scientific interest and climbing to vantage points for panoramic views. There is always something new or unexpected to see, with opportunities for kayaking, snowshoeing and photography with an expert, which means that your expedition will be a unique and personal experience and unlike any other. Enjoy the antics of thousands of curious penguins as you sit on a pebbled beach, scout for whales and seals as you cruise by Zodiac, visit a research base, listen out for the mighty crack of a calving glacier and maybe brave a polar plunge in the icy waters! As we cruise through the Peninsula, the lecture programme continues and sightseeing is at its most spectacular off the ship's outer decks. Enjoy the Ocean Endeavour's newly designed health and fitness features, with facilities that include a spa, His and Hers saunas, saltwater pool and gym plus yoga sessions.
