### DAY 1: Cusco

Cusco, set at an altitude of 3,400 metres in the Peruvian Andes, was once the capital of the Inca Empire. It is known for its Spanish colonial architecture and Incan remains. Narrow, cobble-stoned streets lined by Inca walls stretch out from the main plaza in every direction. Many of the colonial buildings were built on top of Incan foundations and the stonework is unparalleled in its precision and beauty.

### DAY 2: Sacred Valley Tour

This morning you will be collected from your hotel for full day of exploring the Sacred Valley of the Incas. This fertile river valley was home to many important sites for the Incas, both strategic and religious. The first stop is the village of Pisac, with its famous market. The colonial village of Pisac sits at the base of the spectacular Pisac Ruins - a hilltop Inca citadel and fortress with impressive agricultural terracing. On market days Pisac comes alive with locals from nearby hillside villages in traditional dress selling local fruit and vegetables as well as handicrafts. There is free time to wander the colourful market stalls before a typical Andean lunch at a local restaurant. Continue your journey along the River Urubamba, to Ollantaytambo. The town, which is dominated by a giant Inca fortress, is perhaps the best surviving example of Inca town planning and was the scene of a rare Inca victory over the invading Spanish. Lunch is included.

### DAY 3: Machu Picchu Guided Tour

Machu Picchu is a 15th century Inca site, located 2,430 metres above sea level on a mountain ridge above the Sacred Valley. It is the most famous of all Inca sites, but it was not until 1911 that it was brought to the world's attention by the American historian Hiram Bingham. The Incas abandoned the city just prior to Spanish colonisation, the city was never pillaged and as a result the ruins are still in fantastic condition. With its location on a dramatic ridgeline surrounded by sheer cliffs and the Urubamba River on three sides, the city of Machu Picchu is a remarkable place to visit. Machu Picchu was declared a UNESCO World Heritage Site in 1983 and in 2007 it was voted one of the new Seven Wonders of the World. The tour starts with a bus ride from Aguas Calientes to Machu Picchu. You will be astonished at your first view of Machu Picchu, a stunning display of ancient architecture with incredible surroundings. Enjoy a guided shared tour of the ruins and monuments such as the Main Square, the Circular Tower, the Sacred Solar Clock, the Royal Quarters, the Temple of the Three Windows and the Cemeteries. Return by bus to Aguas Calientes village. Please be aware that your tour of Machu Picchu does not include an entry permit to Huayna Picchu (the iconic hill behind the Machu Picchu ruins). If you want to climb Huayna Picchu then you need to pre-book your permit with at least 3 months in advance. Please contact your travel specialist if you would like to do this.

**SUSTAINABILITY**

Chimu Adventures undertakes a number of sustainability measures within its operations including:

- 1) Only using local guides and office staff to both maximise local employment opportunities and minimise carbon footprints. Local guides also ensure you benefit from the intimate knowledge, passion and culture of the country you're visiting.
- 2) Where possible, using locally owned and operated boutique hotels to maximise the return to the local community.
- 3) Chimu's "Pass it on" programme has provided funding to hundreds of local community projects in Latin America. Our aim is to empower local communities, helping them to develop their own infrastructure for the future. Since 2006, we have been working with Kiva (a well-known Non-Governmental Organisation), providing hundreds of loans to local businesses all over South America.
- 4) In our pre tour information we provide a range of tips and advice on how to minimise your impact on both local environments and communities.
- 5) Chimu Adventures' offices also take a number of sustainability measures including carbon offsets for company vehicles and most staff travel. Chimu Adventure's internal processes are also structured to create a paperless office and to reduce waste. There are also internal programmes to help staff minimise their carbon footprint such as our staff bike purchase assistance plan which encourages office staff to commute to work via bicycle. Currently almost half of our office based staff commute to work via bicycle.
