### DAY 18: Reserva Amazonica Day One

Welcome in Puerto Maldonado. Check-in and then reach the boarding wharf in only 15 minutes. Begin to experience the enchantment of the rainforest, as you take the 45-minute boat ride along the Madre de Dios River, to arrive at Inkatererra Reserva Amazonica lodge. After a short briefing, settle into your beautiful cabaña and enjoy your lunch in the dining room. Take a nap, followed by a refreshing tea time and get ready for the afternoon excursion. After gathering with your Inkatererra Explorer Guide, choose from the various excursions available at Inkatererra Reserva Amazónica. On your first day, we recommend a guided walk along the Trail system, into the Inkatererra Reserva Amazonica natural area, where you will discover the Amazon Basin. This trail offers an excellent introduction to the jungle environment, winding past impressive trees such as the staggeringly tall kapok, and the strangely beautiful strangler fig, offering excellent opportunities for birdwatching and observing exotic insects. We also recommend on the first night our Twilight River excursion — a guided afternoon boat ride on the Madre de Dios river. Witness the transformation from a diurnal to a nocturnal world: animals and birds of the daytime give way to species specially adapted to the night. As you enjoy their paradise, you will learn about their habits, while you search for nightjars, owls, capybaras and up to three different caiman species. Enjoy dinner served in the main dining room from 7:30 p.m. to 9:30 p.m. After dinner, you may retire early to your own cabaña, or share your experience in the rainforest with other guests and interpreters, as you listen to the intriguing sounds of the jungle at night.
