DAY 1: Buenos Aires

Buenos Aires, Argentina's elegant, historic and cosmopolitan capital, is known as the "Paris of the South" due to its European atmosphere with glamorous avenues lined with fashionable shops and Parisian-style restaurants and cafes. Located on the western shore of the estuary of the Río de la Plata, Buenos Aires has many fascinating neighbourhoods to explore including the colourful and lively La Boca, home to art galleries and tango shows; San Telmo with its restored mansions and antique stores and Recoleta, the city's most exclusive area.

DAY 2: El Querandi Tango Show & Dinner

This evening you will be collected from your hotel to experience a Tango Show with dinner. This is an intimate & passionate tango show, housed in a cozy wood-paneled 19th century building with a colourful history as a meeting point for poets and students in the heart of Buenos Aires's historic centre. After being abandoned in the late 1970s, the bar was restored and reopened in 1992 as El Querandí Tango Hall. The show is directed by Claudio Campos, with musical arrangements by Ado Falasca, and it smoothly charts the history of Argentina's most authentic artistic expression from its origins to the modern day. The dinner is better than many, and at just over an hour long, the show is the perfect length. The three house singers, six dancers and four musicians put on a great show. Dinner will be served from 8.30pm followed by the show commencing at 10.00pm. Please note timings are subject to change and will be confirmed directly to you. On completion of the show, you will be taken to your hotel. Please note this is a small group tour.

Then enjoy Mayo Avenue and wonder in awe at the oldest residential neighbourhood in Buenos Aires: San Telmo. Live and feel the original Tango in the neighbourhood of La Boca: walk along Caminito Street and enjoy the Dancers and souvenir shops. See the mythical Boca Juniors soccer stadium. Contemplate the modernization of the city whilst traveling along Puerto Madero and its exclusive docks, full of excellent restaurants and large offices. During the one-and-a-half-hour cruise you will be able to admire Buenos Aires from the Rio de la Plata (River Plate), its northern areas and the channels of the Delta, whilst enjoying refreshments on board. After the cruise, disembark at Tigre Pier and visit by vehicle Paseo Victoria, the most important neighbourhood in Tigre and then the Puerto de Frutos. You will soon find yourself in San Isidro where you will visit the town's historical centre and Cathedral on foot while having a snack, and then finally you will see the city's northern areas and the Presidential Residence in Olivos, before returning to the city.

DAY 5: Iguazu Falls - Argentinean Side

Early morning pick up from your hotel for your full day of exploring the Argentine side of the falls. This tour always starts early in order to beat the crowds and get the first train to the Devil's Throat. There are walkways over the islands which take you to a balcony over the falls and the most spectacular view of the entire Devil's Gorge. You will then have plenty of time to walk the 800 metres of paths on the upper circuit. These new suspended walkways are detached from the jungle surface so as to protect the fauna by preventing disruption of the natural trails. From this circuit you have a higher sight of the falls, providing you with a magnificent panoramic view. It takes around one hour to cover the upper circuit. The lower circuit contains 600 metres of walkways, also detached from the jungle floor, and has great views from below and around the falls. Once you have finished all the circuits, return to the visitor centre where your vehicles will be waiting to transfer you back to your hotel. Please note there is some degree of difficulty as the path includes many stairs, particularly on the lower circuit. National Park fee is included.

DAY 6: Half Day Tour - Iguazu Falls - Brazilian side

You will be collected from your hotel for your tour of the Brazilian side of the falls. After arriving at the visitor centre, we board buses for a tour of the park. Equipped with panoramic windows, the buses are designed to maximize your views of the falls, while the walkways and steps allow you to get up close to the spray. Views of the Floriania Falls, the Devil's Gorge Canyon and the Iguazu River are spectacular and are guaranteed to impress. National Park fees included. On completion of the tour, you will be taken to your hotel. Please note this is small group tour.

DAY 6: Arrival transfer in Iguazu

At the appropriate time you will be collected from your hotel where you will be transferred to the airport for your departure flight. Please note this is a shared group serviced.

SUSTAINABILITY

Chimu Adventures is passionate and dedicated to sustainability measures and understands the crucial part sustainability plays within the tourism industry.

We use local guides and office staff to both maximise local employment opportunities and minimise carbon footprint. Local guides also ensure you benefit from the intimate knowledge, passion and culture of the country you're visiting. Our guides are all highly qualified (most with university degrees) or equip with many years of experience and are paid above the standard wage. Whether it be our knowledgeable local guides, locally produced meals or the transport on tour, we do not use imported goods when local products are available. We aim to minimise our impact on the environment and give as much back as possible to the communities we work in.

We ensure that we have as little negative impact on the wildlife as possible and minimise disturbances. We also encourage the education and visitation of protection and conservation services, specifically associated with the area. You will also find that we visit many locations and landmarks of which we encourage you to explore yet advise you to remain culturally aware and sensitive. We further encourage you to buy appropriate souvenirs and discourage the buying of anything wrongfully made or taken from the environment i.e. shells and endangered species products. Information on how you can be environmentally conscious, and travel responsibly will be made available in pre-departure information and en-route by guides and staff. Furthermore, in our further efforts of supporting the communities, a percentage of the funds generated from your tour (10%) will go back to our charities and assist us supporting the next generation and the environment they live in.

Being environmentally accountable is a crucial part of our organisation. Chimu is currently striving towards using less paper, taking several initiatives to do so and tracking our progress along the way. Our goal: A paperless organisation. For this reason, all information given to you will be sent electronically. We encourage those who choose to travel with us to support our aspirations and actions and ask that you reconsider printing out documentation. To view these documents, you can download them to your iPad or portable computer before and during your trip.
