### DAY 1: Lima

Lima, the capital of Peru, sits on the country's arid Pacific coast. Founded in 1535, its colonial centre is well preserved, but today Lima is a bustling metropolis and one of South America's largest cities. The city is home to the various museums including the Museo Larco that houses a collection of pre-Columbian art and the Museo de la Nación, tracing the history of Peru's ancient civilizations. Lima is known as the "gastronomical capital of the Americas", encompassing specialties from ceviche and traditional coastal cooking to refined global fare. It even boasts several of the top restaurants in the world. If you have any free days during your stay, we recommend that you take a visit to the Larcomar shopping centre. Located on a cliff with spectacular views of the Pacific Ocean in the heart of Lima's Miraflores district, it is worth the visit. You can either walk from Barranco or have your hotel arrange a taxi for you. Additionally, Huaccu Pucllana is a massive adobe and clay pyramid built between 200 and 700 AD. It served as an important ceremonial and administrative centre for the advancement of Lima culture, constructed from seven staggered platforms. Take a taxi to this amazing site in Miraflores (closed on Tuesday's). You can take a tour upon arrival, or simply admire the structure while sipping a coffee or a pisco sour in the lovely Peruvian restaurant overlooking the site (open for lunch until 3pm). Or if you are interested in history and archaeology, a visit to the one-of-a-kind private Museo Larco could be an unforgettable experience. Discover over 5000 years of ancient Peruvian civilisations and the intimate bond that existed between pre-Columbian societies and the natural world. Open daily, however it is a good idea to check if a guided tour in English is available prior to visiting.

## DAY 3: Titicaca Uncover by Speed Boat

Early this morning you will be collected from your hotel and transferred to the port to board a fully equipped speedboat with on board service to visit various islands on Lake Titicaca. First stop is Taquile Island where you will explore a scenic and less touristy area. Enjoy time on a pristine sandy beach to relax and feel the serenity of Lake Titicaca. We then hike along a pre-Inca trail with spectacular landscapes of the island, visiting families of weavers to learn about their textile art and symbolism. In 2005, "Taquile and its Textile Art" were proclaimed "Masterpieces of the Oral and Intangible Heritage of Humanity" by UNESCO. After three hours on Taquile, board the speedboat for a short journey to the community of Santa Maria-Llachon, on the tip of the Capachica Peninsula. This is a picturesque off the beaten track destination. We are welcomed by the small Quechua speaking community and introduced to an intensive cultural experience, observing the traditions of the community and participating in an ancient ceremony to learn about their magical world. Experience the preparation of "Pachamanca", a traditional way of cooking meat, fish and potatoes using underground ovens, and one of the main dishes of Peruvian cuisine. Enjoy these delicacies in a small, but scenic restaurant (included in tour price). For the more adventurous there is an optional kayak along the coast of Llachon. After lunch we leave Santa Maria and arrive at a remote area of the National Reserve of Lake Titicaca to explore Uros Ccapi. These are considered to be the last authentic floating islands, less commercial and little visited. The Uros are descendants of one of the oldest cultures in South America. There are optional tours in reed boats before we depart back to Puno. On arrival at the port, you will be transferred to your hotel. Please note this is small group tour. Please note there is a minimum number of passengers requested to operate this tour from December to March, if the required number of passengers is not reached we will offer you a similar alternative. Please also note that between the months of January and March the ceremony of "Pachamama" will be subject to weather conditions.

## DAY 5: Sacred Valley Tour

This morning you will be collected from your hotel for full day of exploring the Sacred Valley of the Incas. This fertile river valley was home to many important sites for the Incas, both strategic and religious. The first stop is the village of Pisac, with its famous market. The colonial village of Pisac sits at the base of the spectacular Pisac Ruins - a hilltop Inca citadel and fortress with impressive agricultural terracing. There is free time to wander the colourful market stalls before a typical Andean lunch at a local restaurant. Continue your journey along the River Urubamba, to Ollantaytambo. ### DAY 6: Machu Picchu Guided Tour

Machu Picchu is a 15th century Inca site, located 2,430 metres above sea level on a mountain ridge above the Sacred Valley. It is the most famous of all Inca sites, but it was not until 1911 that it was brought to the world's attention by the American historian Hiram Bingham. The Incas abandoned the city just prior to Spanish colonisation, the city was never pillaged and as a result the ruins are still in fantastic condition. With its location on a dramatic ridgeline surrounded by sheer cliffs and the Urubamba River on three sides, the city of Machu Picchu is a remarkable place to visit. Machu Picchu was declared a UNESCO World Heritage Site in 1983 and in 2007 it was voted one of the new Seven Wonders of the World. The tour starts with a bus ride from Aguas Calientes to Machu Picchu. You will be astonished at your first view of Machu Picchu, a stunning display of ancient architecture with incredible surroundings. Enjoy a guided shared tour of the ruins. The shared tours will generally take circuit 1 which is the high/short route. You will explore the upper platforms of the site, where you can enjoy a panoramic view over the ruins. You will visit the Guardian's hut and then continue to the Puente del Inca (Incan Gate) and the urban sector of the citadel. Take the path on to the quarry and head on to the Casa Del Inca, Hall of Mirrors and Temple of the Condor. Return by bus to Aguas Calientes village. Please note that shared tours run with a maximum of 8 guests and 1 local expert guide. Please be aware that your tour of Machu Picchu does not include an entry permit to Huayna Picchu (the iconic hill behind the Machu Picchu ruins). If you want to climb Huayna Picchu then you need to pre-book your permit with at least 3 months in advance. Please contact your travel specialist if you would like to do this.

## SUSTAINABILITY

Chimu Adventures undertakes a number of sustainability measures within its operations including:

- 1) Only using local guides and office staff to both maximise local employment opportunities and minimise carbon footprints. Local guides also ensure you benefit from the intimate knowledge, passion and culture of the country you’re visiting.
- 2) Where possible, using locally owned and operated boutique hotels to maximise the return to the local community.
- 3) Chimu’s “Pass it on” programme has provided funding to hundreds of local community projects in Latin America. Our aim is to empower local communities, helping them to develop their own infrastructure for the future. Since 2006, we have been working with Kiva (a well-known Non-Governmental Organisation), providing hundreds of loans to local businesses all over South America.
- 4) In our pre tour information we provide a range of tips and advice on how to minimise your impact on both local environments and communities.
- 5) Chimu Adventures’ offices also take a number of sustainability measures including carbon offsets for company vehicles and most staff travel. Chimu Adventure’s internal processes are also structures to create a paperless office and to reduce waste. There are also internal programmes to help staff minimise their carbon footprint such as our staff bike purchase assistance plan which encourages office staff to commute to work via bicycle. Currently almost half of our office based staff commute to work via bicycle.
