### DAY 3: Titicaca Uncover by Speed Boat

Early this morning you will be collected from your hotel and transferred to the port to board a fully equipped speedboat with on board service to visit various islands on Lake Titicaca. First stop is Taquile Island where you will explore a scenic and less touristy area. Enjoy time on a pristine sandy beach to relax and feel the serenity of Lake Titicaca. We then hike along a pre-Inca trail with spectacular landscapes of the island, visiting families of weavers to learn about their textile art and symbolism. In 2005, "Taquile and its Textile Art" were proclaimed "Masterpieces of the Oral and Intangible Heritage of Humanity" by UNESCO. After three hours on Taquile, board the speedboat for a short journey to the community of Santa Maria-Llachon, on the tip of the Capachica Peninsula. This is a picturesque off the beaten track destination. We are welcomed by the small Quechua speaking community and introduced to an intensive cultural experience, observing the traditions of the community and participating in an ancient ceremony to learn about their magical world. Experience the preparation of "Pachamanca", a traditional way of cooking meat, fish and potatoes using underground ovens, and one of the main dishes of Peruvian cuisine. Enjoy these delicacies in a small, but scenic restaurant (included in tour price). For the more adventurous there is an optional kayak along the coast of Llachon. After lunch we leave Santa Maria and arrive at a remote area of the National Reserve of Lake Titicaca to explore Uros Ccapi. These are considered to be the last authentic floating islands, less commercial and little visited. The Uros are descendants of one of the oldest cultures in South America. There are optional tours in reed boats before we depart back to Puno. On arrival at the port, you will be transferred to your hotel. Please note this is small group tour. Please note there is a minimum number of passengers requested to operate this tour from December to March, if the required number of passengers is not reached we will offer you a similar alternative. Please also note that between the months of January and March the ceremony of "Pachamama" will be subject to weather conditions.

### DAY 5: Sacred Valley Tour

This morning you will be collected from your hotel for full day of exploring the Sacred Valley of the Incas. This fertile river valley was home to many important sites for the Incas, both strategic and religious. The first stop is the village of Pisac, with its famous market. The colonial village of Pisac sits at the base of the spectacular Pisac Ruins – a hilltop Inca citadel and fortress with impressive agricultural terracing. On market days Pisac comes alive with locals from nearby hillside villages in traditional dress selling local fruit and vegetables as well as handicrafts. There is free time to wander the colourful market stalls before a typical Andean lunch at a local restaurant. Continue your journey along the River Urubamba, to Ollantaytambo. The town, which is dominated by a giant Inca fortress, is perhaps the best surviving example of Inca town planning and was the scene of a rare Inca victory over the invading Spanish. ### DAY 6: Machu Picchu Guided Tour

Machu Picchu is a 15th century Inca site, located 2,430 metres above sea level on a mountain ridge above the Sacred Valley. It is the most famous of all Inca sites, but it was not until 1911 that it was brought to the world's attention by the American historian Hiram Bingham. The Incas abandoned the city just prior to Spanish colonisation, the city was never pillaged and as a result the ruins are still in fantastic condition. With its location on a dramatic ridgeline surrounded by sheer cliffs and the Urubamba River on three sides, the city of Machu Picchu is a remarkable place to visit. Machu Picchu was declared a UNESCO World Heritage Site in 1983 and in 2007 it was voted one of the new Seven Wonders of the World. The tour starts with a bus ride from Aguas Calientes to Machu Picchu. You will be astonished at your first view of Machu Picchu, a stunning display of ancient architecture with incredible surroundings. Enjoy a guided shared tour of the ruins and monuments such as the Main Square, the Circular Tower, the Sacred Solar Clock, the Royal Quarters, the Temple of the Three Windows and the Cemeteries. Return by bus to Aguas Calientes village. Please be aware that your tour of Machu Picchu does not include an entry permit to Huayna Picchu (the iconic hill behind the Machu Picchu ruins). ### DAY 13: Welcome to Cancun

Cancun was once a small and remote fishing village, not much more than a sand bar clinging to Mexico's Caribbean coast. Today, Cancun is an exciting beach destination and gateway to the Mundo Maya, or Maya World. Its strategic location makes it a major gateway to the Mayan World and the Caribbean.
