### DAY 3: Titicaca Uncover by Speed Boat

Early this morning you will be collected from your hotel and transferred to the port to board a fully equipped speedboat with on board service to visit various islands on Lake Titicaca. First stop is Taquile Island where you will explore a scenic and less touristy area. Enjoy time on a pristine sandy beach to relax and feel the serenity of Lake Titicaca. We then hike along a pre-Inca trail with spectacular landscapes of the island, visiting families of weavers to learn about their textile art and symbolism. In 2005, "Taquile and its Textile Art" were proclaimed "Masterpieces of the Oral and Intangible Heritage of Humanity" by UNESCO. After three hours on Taquile, board the speedboat for a short journey to the community of Santa Maria-Llachon, on the tip of the Capachica Peninsula. This is a picturesque off the beaten track destination. We are welcomed by the small Quechua speaking community and introduced to an intensive cultural experience, observing the traditions of the community and participating in an ancient ceremony to learn about their magical world. Experience the preparation of "Pachamanca", a traditional way of cooking meat, fish and potatoes using underground ovens, and one of the main dishes of Peruvian cuisine. Enjoy these delicacies in a small, but scenic restaurant (included in tour price). For the more adventurous there is an optional kayak along the coast of Llachon. After lunch we leave Santa Maria and arrive at a remote area of the National Reserve of Lake Titicaca to explore Uros Ccapi. These are considered to be the last authentic floating islands, less commercial and little visited. The Uros are descendants of one of the oldest cultures in South America. There are optional tours in reed boats before we depart back to Puno. On arrival at the port, you will be transferred to your hotel. Please note this is small group tour. Please note there is a minimum number of passengers requested to operate this tour from December to March, if the required number of passengers is not reached we will offer you a similar alternative. Please also note that between the months of January and March the ceremony of "Pachamama" will be subject to weather conditions.

### DAY 5: Sacred Valley Tour

This morning you will be collected from your hotel for full day of exploring the Sacred Valley of the Incas. This fertile river valley was home to many important sites for the Incas, both strategic and religious. The first stop is the village of Pisac, with its famous market. The colonial village of Pisac sits at the base of the spectacular Pisac Ruins - a hilltop Inca citadel and fortress with impressive agricultural terracing. On market days Pisac comes alive with locals from nearby hillside villages in traditional dress selling local fruit and vegetables as well as handicrafts. There is free time to wander the colourful market stalls before a typical Andean lunch at a local restaurant. Continue your journey along the River Urubamba, to Ollantaytambo. The town, which is dominated by a giant Inca fortress, is perhaps the best surviving example of Inca town planning and was the scene of a rare Inca victory over the invading Spanish. **DAY 6: Machu Picchu Guided Tour**

Machu Picchu is a 15th century Inca site, located 2,430 metres above sea level on a mountain ridge above the Sacred Valley. It is the most famous of all Inca sites, but it was not until 1911 that it was brought to the world’s attention by the American historian Hiram Bingham. The Incas abandoned the city just prior to Spanish colonisation, the city was never pillaged and as a result the ruins are still in fantastic condition. With its location on a dramatic ridgeline surrounded by sheer cliffs and the Urubamba River on three sides, the city of Machu Picchu is a remarkable place to visit. Machu Picchu was declared a UNESCO World Heritage Site in 1983 and in 2007 it was voted one of the new Seven Wonders of the World. The tour starts with a bus ride from Aguas Calientes to Machu Picchu. You will be astonished at your first view of Machu Picchu, a stunning display of ancient architecture with incredible surroundings. Enjoy a guided shared tour of the ruins. The shared tours will generally take circuit 1 which is the high/short route. You will explore the upper platforms of the site, where you can enjoy a panoramic view over the ruins. You will visit the Guardian’s hut and then continue to the Puente del Inca (Incan Gate) and the urban sector of the citadel. Take the path on to the quarry and head on to the Casa Del Inca, Hall of Mirrors and Temple of the Condor. Return by bus to Aguas Calientes village. Please note that shared tours run with a maximum of 8 guests and 1 local expert guide. Please be aware that your tour of Machu Picchu does not include an entry permit to Huayna Picchu (the iconic hill behind the Machu Picchu ruins). If you want to climb Huayna Picchu then you need to pre-book your permit with at least 3 months in advance. Please contact your travel specialist if you would like to do this.

### DAY 12: Uxmal and Kabah & the Puuc route

This morning you will be collected from your hotel to visit the archaeological site of Uxmal, a World Heritage Site, and located 80 km south of Merida. Its architecture is characterized by low horizontal palaces set around courtyards, decorated with a profusion of symbolic motifs and sculptures depicting the long-nosed rain god Chaac. We will explore the magnificent buildings, including the House of the Magician - which dominates the site, the Nunnery, and the House of Turtles. We continue to Kabah, with its amazing Palace of the Masks, covered in nearly 300 masks of Chaac. We continue driving along the Puuc Route, a road that wind past the Mayan ruins of Labna, Xlapak and Sayil. These sites give us a great insight into the Puuc (Mayan name for 'hills') civilization. Our first stop is Labna, once a city inhabited by some 3000 Mayas. To support such numbers in these arid hills, water was collected in 'chultunes' (water cisterns), some of the original 60 chultunes still visible. We then drive to Xlapak. This site of 14 structures and 3 pyramids is less restored, so we can see what the sites looked like when they were first discovered. Our last stop is Sayil, home to the beautiful El Palacio, a huge three-tiered building which is a splendid example of the rich Puuc style of intricate stone mosaics. Enjoy lunch before returning to Merida. On completion of your tour, you will be taken to your hotel. Please note this is a private tour.

## SUSTAINABILITY

Chimu Adventures undertakes a number of sustainability measures within its operations including:

- 1) Only using local guides and office staff to both maximise local employment opportunities and minimise carbon footprints. Local guides also ensure you benefit from the intimate knowledge, passion and culture of the country you're visiting.
- 2) Where possible, using locally owned and operated boutique hotels to maximise the return to the local community.
- 3) Chimu's "Pass it on" programme has provided funding to hundreds of local community projects in Latin America. Our aim is to empower local communities, helping them to develop their own infrastructure for the future. Since 2006, we have been working with Kiva (a well-known Non-Governmental Organisation), providing hundreds of loans to local businesses all over South America.
- 4) In our pre tour information we provide a range of tips and advice on how to minimise your impact on both local environments and communities.
- 5) Chimu Adventures' offices also take a number of sustainability measures including carbon offsets for company vehicles and most staff travel. Chimu Adventure's internal processes are also structured to create a paperless office and to reduce waste. There are also internal programmes to help staff minimise their carbon footprint such as our staff bike purchase assistance plan which encourages office staff to commute to work via bicycle. Currently almost half of our office based staff commute to work via bicycle.
