ECUADOR - QUITO EXTENSION

DAY 1: Arrival in Quito

You will arrive in the city of Quito, the capital of Ecuador. The city is situated 2,850 metres above sea level within the Andean foothills and is known for its snow-capped mountain backdrop, colonial architecture and artwork. Once part of the Incan Empire, Quito has been declared a UNESCO World Cultural Heritage Site thanks to its well-preserved historic centre. You're free to explore on your arrival.

DAY 2: Six Senses Quito City Tour

Today you will enjoy a tour of the charming city of Quito. The tour will tick off all of the main sites, including Independence Square, the Government Palace, the busy street of La Ronda and some of the beautiful baroque churches that the city is famous for. You will also enjoy a range of experiences. These will vary depending on the day and the time of year, but can include things like market visits, empanada or ice cream making (and tasting), working with an artisan to make your own Panama hat or even helping to restore colonial art! Your tour will end with a cocktail at a rooftop bar where you will have the perfect view over the old town and Panecillo hill.

DAY 3: Cotopaxi National Park

Today you will head south from Quito to visit Cotopaxi National Park. Cotopaxi is the highest active volcano in the world. Despite the altitude, the park is home to numerous birds and varied plant life. Weather permitting, there are spectacular views from the north face of the mountain. The surrounding scenery includes volcanoes like Pasochoa, Ruminahui and Sincholagua. You will also have the opportunity to visit a local indigenous market.
