DAY 2: Pantanal Day tours

Choose from a broad range of daily activities available at the farm and to the nearby Pantanal. On the farm you can choose to accompany the cowboys with their routine work or go horse riding to the Pantanal's open fields and marshes. Alternatively you can take a more relaxed horse and carriage ride. If time didn't permit on your arrival day, why not try some piranha fishing in the Aquidauana River? Fishing for piranha can be quite tricky thanks to their teeth but your guides will teach you how they are caught and used to prepare piranha soup.

DAY 3: Pantanal Day tours

Take the opportunity to explore more of the Pantanal with more activities available from Pousada Aguape. Today, cover more ground by taking a 4WD Jeep safari into the different landscapes of the Pantanal. Have your camera prepared for plenty of wildlife including the capybara. In the evening, why not try to spot more of the Pantanal's great wildlife on a nocturnal spotlight tour? From capybara to caimans and foxes to frogs you will see so much more at night on this one hour visit into the Pantanal wilderness.

DAY 4: Rio Sucuri half day tour

Departing Pousada Aguape you will be transferred to Bonito, stopping enroute for a half day snorkelling the Sucuri River. Your snorkelling tour begins with a walk through the Riparian Forest of the Sucuri River where you can spot and observe animals such as the capybara in their native habitat. You will then enter the river to float downstream with snorkelling gear, observing a diverse array of fish and underwater plant life in the clear waters. The ecotourism hub of Bonito will be your base for the following days activities.
