DAY 2: Fly from Punta Arenas to King George Island

Your Antarctic adventure begins with a two-hour flight from Punta Arenas to King George Island, in the South Shetland Islands. As you exit the airplane, the clear Antarctic air fills your lungs for the first time. Explore the area surrounding Chile's Frei Station and Russia's Bellingshausen station, before boarding a Zodiac to embark your expedition vessel.

DAY 3: Explore Antarctica - Day 3 to 6

Cruise between the South Shetland Islands and the western coast of the Antarctic Peninsula, sailing along ice-filled fjords and among spectacular icebergs, while enjoying the company of seabirds, penguins, seals, and whales. Each day disembark by Zodiac and explore the landscape together with expert polar guides. On board the ship, attend an engaging program of educational presentations, and enjoy spectacular views from the lounge while sharing your daily adventures with fellow guests. No journey is the same and flexibility is the key to success in Antarctica. The Expedition Team plans the voyage route to take advantage of the ever-changing opportunities provided by nature, crafting a unique and extraordinary experience every time. While the exact itinerary changes with each expedition, you will explore several sites that offer the best possible overview of the varied Antarctic environment. Your voyage may include visits to sites in the South Shetland Islands, the Antarctic Sound, the Gerlache Strait, and the Penola Strait.

DAY 7: Fly from King George Island to Punta Arenas

Return to King George Island and bid farewell to Antarctica before boarding the flight back to Punta Arenas. Upon arrival, transfer to your hotel for the night. (Note: Meals in Punta Arenas are at your leisure and not included in the program.)
