

ANTARCTICA FLY CRUISE - POLAR CIRCLE AIR CRUISE | MAGELLAN DISCOVERER

INTRODUCTION

Embark on an exceptional journey to Antarctica with this 10 day Fly/Cruise itinerary as you attempt to reach the Polar Circle. Start with a two-hour flight from Punta Arenas, Chile, directly to your expedition ship, avoiding stormy seas. Step aboard the Magellan Discoverer and take advantage of modern amenities such as a presentation room where you can learn from expert lecturers about the region's history or wildlife. Stay warm in the indoor panoramic lounge or enjoy the 360° walking path on the top deck for breathtaking views of the Antarctic landscape and wildlife. Witness unforgettable sights like calving tabular icebergs, snowy mountains rising from the ocean, leopard seals, skuas, and breaching whales. Take zodiac rides through icy bays and land on beaches to see large penguin colonies up close, all in comfort. Achieve what few travelers experience by reaching the Polar Circle, and immerse yourself completely in this enchanting environment, before flying back across the Drake Passage to South America.

ITINERARY

DAY 1: Arrive in Punta Arenas

Staff members will welcome you on arrival in Punta Arenas, Chile. Transfer to your hotel, then visit the Explorers House, and attend a mandatory briefing that provides important information about your air-cruise, and reviews the essential guidelines for Antarctic visitors. At Explorers House, enjoy local gastronomy dinner as you meet your fellow adventurers.

DAY 2: Scheduled Flight to Antarctica

A smooth two-hour flight takes you efficiently from Punta Arenas to King George Island, in the South Shetland Islands. Your Antarctic adventure begins as you exit the airplane and the clear Antarctic air fills your lungs for the first time. Explore the area surrounding Chile's Frei Station and Russia's Bellingshausen station, before boarding a Zodiac to embark your expedition vessel.

DAY 3: Exploring Antarctica - Days 3 to 8

Sail along ice-filled fjords and among spectacular icebergs, while enjoying the company of sea birds, penguins, seals and whales. Visit the South Shetland Islands and the western coast of the Antarctic Peninsula, disembarking by Zodiac each day. In small groups, hike to extraordinary sites and take part in exploratory Zodiac excursions to otherwise inaccessible areas. Expert polar guides share their passion for Antarctica through an engaging program of illustrated presentations, and lead you ashore to interpret the wildlife, the history and the many wonders of the Antarctic environment. From the glassenclosed lounge, enjoy spectacular views while sharing your daily adventures with fellow guests over a drink. The goal of the expedition is to sail far south in the attempt of reaching the Polar Circle. The Expedition Team sets the specific voyage route based on local conditions, and takes advantage of the ever-changing opportunities provided by Nature. Flexibility will be the key to a successful voyage. Your expedition may include visits to sites such as Port Lockroy, Petermann Island, Paradise Bay, the Lemaire Channel, Prospect Point or other magnificent places. Each voyage is unique and each is crafted to provide the best possible overview of the varied Antarctic environment.

DAY 9: Fly from King George Island to Punta Arenas

Back at King George Island, bid farewell to Antarctica as you board the flight to Punta Arenas. Upon arrival, transfer to your hotel for the night. (Note: Meals in Punta Arenas are at your leisure and not included in the program).
