DAY 2: Gambote - Palenque

In the morning, experience the town of Palenque, the first “free town” in the Americas. Founded by those who fled a life of slavery during colonial times, the spirit and appearance of this town has been preserved through time. In 1713, the Spanish crown issued a Royal Decree that officially freed the people of Palenque from slavery. Immerse yourself in the town’s deeply rooted culture and traditions, which are so distinct that UNESCO declared Palenque to be a Masterpiece of the Oral and Intangible Heritage of Humanity. An important piece of their heritage is the music and rhythmic style that was developed in this city, which you will enjoy during a special performance by local musicians. Later in the day, visit Calamar. Located at the entrance of the Canal del Dique, this town was first settled in 1840. Witness historic sites such as the Iglesia de la Inmaculada Conception as you tour this beautiful destination by paola (a bicycle taxi for two).

DAY 3: Santa Barbara de Pinto

Enjoy a walking tour through this traditional town, where you may see local landmarks such as the Santa Barbara Church and enjoy intricate handmade crafts created in the town. DAY 4: Mompox

A town frozen in time, Mompox embodies the appearance of what many villages looked like during colonial times. Founded in 1540, this remote village became an important Spanish trading post. Some Spaniards found Mompox to be a haven for keeping gold and other treasure protected from the pirates that pillaged coastal cities like Cartagena, and with this precious metal and the work of skilled artisans from Spain came beautifully crafted artifacts. Since then, the town has become famous for its incredible filigree jewelry, which you can learn more about during your tour of this town. While visiting the largest inland island in Latin America, journey through the beautiful wetlands, exploring the massive lake that is home to a variety of flora and fauna native to the region, with opportunities to birdwatch at sunrise, early morning and sunset. In either the morning or the afternoon, you can choose to take a stroll through this storied town on a guided walking tour. With stunning colonial churches, breathtaking nature surrounding the town, and delicious local delights such as capa cheese and butifarra, Mompox is sure to be a highlight of your journey along the magnificent Magdalena River.

DAY 5: Mompox

Bid farewell to Mompox before embarking on a scenic cruise down one of the most breathtaking stretches of the Magdalena River – a picturesque part of the La Mojana region – and reaching the town of El Banco, nestled at the intersection of the Magdalena and César rivers. Founded in a strategic location for both the native people and the Spaniards, the town was repeatedly destroyed in their struggles and then rebuilt atop its ashes. In 1749, a freed black slave named José Domingo Ortiz led a group of settlers to this special location, carrying with him a statue of the Virgin Mary, staking this place as their new home. Because of this connection, the Virgin of Candelaria — a special invocation of the Virgin Mary — is specially venerated in this region. Embark on a guided walking tour of this incredible destination and learn more about its history as the birthplace of cumbia, an iconic genre of music and dance that has now been popularized around the world. What began as a courtship dance practiced by African slaves later incorporated American steps and European and African instruments has become a worldwide sensation, which is especially popular in the Andean region of Colombia. In the evening, enjoy an exclusive cumbia performance by locals.

DAY 6: Magangue

Witness the sights, hear the bird calls, and watch the wildlife around you as spend the day docked near Magangue. Immerse yourself in the presence of Colombian nature surrounding this city on a birdwatching tour, giving you a unique opportunity to see birds only found in this specific part of the country.

With its beautiful colonial houses, vivid architecture and local sanctuary protecting the native flora and fauna, this town highlights the beauty and warmth of Colombia. Witness its splendor as you tour the village. While here, explore this village and learn more about the lives of its people during a guided tour. Enjoy the traditional crafts and art that is on display, learn about the techniques the fishermen of Nueva Venecia use, and taste the local delicacies as you embrace this village and its unique culture. Later in the day, venture to the beautiful seaside city of Barranquilla, a vibrant destination home to notable musicians, writers and artists. Immerse yourself in the warmth and culture of the city’s atmosphere as you venture through this magnificent location, where you may visit famous landmarks such as the bocas de cenizas, the point at which the magical Magdalena River meets the breathtaking Caribbean Sea, and the “Carnaval” Museum, which showcases the unique history of this incredible festival.
