ITINERARY

DAY 1: Arrive Ushuaia

After a friendly welcome at the airport and a transfer to your included hotel, take some time to unwind or explore the southernmost city in the world, Ushuaia. Our evening briefing is your opportunity to ask questions and meet some of your fellow explorers.

DAY 2: Embarkation in Ushuaia

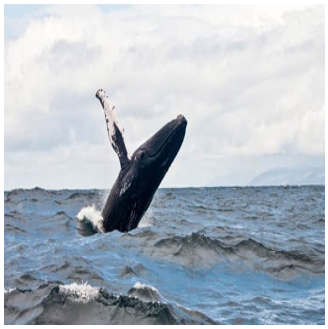

Spend your morning relaxing at the hotel, visiting a museum, or exploring the shops in Ushuaia, before our mid-afternoon escort to the ship. Our Expedition Team and ship staff will welcome you on board and get you settled in, followed by a safety and orientation briefing and our Captain’s welcome dinner. We’re on our way to Antarctica!

DAY 3: Crossing the Drake - Day 3 & 4

Join our Polar Experts as they share their vast knowledge of Antarctica, from its enchanting wildlife to its bold history. Participate in our pioneering Citizen Science program or sit back and take in this fabled journey while catching glimpses of rarely seen wildlife. Keep your binoculars handy to identify the many seabirds that escort our ship as we cross the Antarctic Convergence into Antarctica's waters and noticeably cooler temperatures.

DAY 5: South Shetland Islands

Over time, the volcanic activity of the South Shetland Islands has created a geology unlike any other. Here, you can expect a spectacular display of mountains, glaciers, and wildlife, including Chinstrap and Gentoo penguins, and it's not uncommon to share the water's edge with Elephant and Fur seals. Whales are often spotted as well. So, we'll settle into our Zodiacs and spend most of our day exploring. And kayakers, it's time to get your first taste of gliding just inches off the pristine Antarctic water. Whether on land or sea, in Zodiac or kayak, be prepared for a fully immersive introduction to this incomparable part of the world.

DAY 6: Glorious Antarctica - Days 6 to 8

Here's our chance to explore any number of picturesque bays and landing sites, while maneuvering through iceberg-rich channels and into wildlife-rich waters. We'll likely be joined by numerous species of enchanting penguins, seals, and whales, both in the sea and along the rugged coastlines. And there will be great opportunities to stop at several active scientific bases and historic landing sites during our typical two-a-day outings. A night of camping under the stars is also an unforgettable highlight for those who sign up. Our focus is always on the longest and most adventurous off-ship experience, so be prepared to take in all that Antarctica has to offer.
