

# THE ARCTIC - SPITSBERGEN: REALM OF THE ICE BEAR | DOUGLAS MAWSON

## INTRODUCTION

Explore the remote landscapes of Spitsbergen, with regular opportunities to observe wildlife such as walrus, seals, reindeer, Arctic foxes and a range of seabirds. You will spend time navigating fjords and pack ice, with the chance of spotting polar bears in their natural habitat. Daily excursions by Zodiac and on foot allow access to glaciers, bird cliffs, tundra and sheltered bays that are not reachable by ship.

The landings will provide the opportunity to walk across tundra, view fossils and visit locations connected to early Arctic exploration. The itinerary remains flexible so guides can respond to weather and wildlife conditions, helping to maximise time outdoors. Activities may include wildlife viewing, photography and optional kayaking, while a polar plunge may be offered when conditions allow. Onboard presentations from expedition staff provide clear insights into the region's environment, history and conservation, offering a well rounded and practical introduction to the High Arctic.

**DAY 2: Longyearbyen & Embarkation**

This morning, please ensure your cabin luggage is fitted with cabin tags clearly labelled with your name and cabin number. Enjoy breakfast at the hotel before transferring to the airport for our charter flight to Longyearbyen for embarkation. Any valuables or personal items should be kept on you throughout the day. In Longyearbyen, explore the town on a guided excursion tour. On the drive to Camp Barentz, located in Advent Valley, your guide will give you an introduction to Longyearbyen's fascinating history. Once at Camp Barentz we enjoy a presentation in the large 'lavvo' - a traditional building common in northern Norway. You will also have the opportunity to meet the friendly huskies and perhaps pick up some souvenirs. A visit to the Svalbard Museum is included back in town before embarking the vessel in the late afternoon. After the tour, you will be transferred directly to the pier to embark in the late afternoon. Settle into your cabin before attending important safety briefings and enjoy the thrill of departure as we 'throw the lines' and set sail. Note: the excursion is contingent on the arrival time of our charter flight to Longyearbyen.

## DAY 3: Spitsbergen - Days 3 to 7

The island of Spitsbergen is the largest in the Svalbard Archipelago and offers Arctic wilderness at its best. The members of our experienced Expedition Team, who have made countless journeys to this area, will use their expertise to tailor our day-to-day itinerary, choosing the best options, based on the prevailing weather, sea-ice conditions and the possibility of encounters with wildlife. Phenomenal fjords, magnificent mountains ranges, and a polar desert rich in fossils, set the stage for heroic tales of early exploration. See walrus hauled-out on sea ice or on beaches. On land, we stretch our legs on walks across tundra carpeted in brightly coloured wildflowers. We visit towering cliffs noisy with nesting guillemots and puffins, and scree slopes that hold Svalbard’s largest little auk colonies. Most memorable will be encounters with the majestic polar bear on pack ice. Your Expedition Team is just as keen as you are to find them - they will be on constant watch to spot these inspiring creatures. If you have chosen an optional activity such as kayaking, you will have an opportunity to enjoy that activity when conditions allow. For those who are enthusiastic to participate in a polar plunge, as soon as conditions are suitable, you will hear the announcement to prepare for an exhilarating dip - a memory you will savour for years to come.
