DAY 2: Dynjandi Waterfall

Considered one of Iceland's most impressive falls, the thunderous Dynjandi waterfall in the Westfjords region gives the impression of a bridal veil as it spreads down ever-growing cascades. The walk takes 15 minutes passing five smaller waterfalls.

DAY 3: At Sea

Spend your day at sea enjoying the facilities available onboard. Head to the sauna, get in a workout in the state-of-the-art gym or relax in the hot tub while taking in incredible views along the way. If you prefer to learn a little more about your surroundings, listen to an informative talk or have a chat with one of our knowledgeable experts.

DAY 4: Ittoqqortoormiit

One of the world's most remote towns and the most isolated community in Greenland, Ittoqqortoormiit is largely inaccessible by ship for nine months of the year. Founded in 1925 by Danish explorer Ejnar Mikkelsen and Inuit settlers, it is home to 450 residents who mostly rely on hunting and fishing. The community preserves Greenlandic traditions, from harvesting qiviut-the prized muskox underfur-to maintaining sled dogs and wearing national dress.

DAY 5: Scoresbysund

The world's largest fjord system, Scoresbysund spans over 350 km into Greenland's heart. This vast network of fjords, glaciers and icebergs is framed by towering basalt mountains, which shield Greenland's wildlife from Arctic winds. Muskoxen, Arctic foxes and mountain hares roam the land, while little auks, puffins, fulmars, snowy owls, gyrfalcons and great black-backed gulls soar overhead. Seals and whales are common sightings in the waters.

Kong Oscar Fjord marks the northern edge of Scoresbysund and leads to Northeast Greenland National Park, the world’s largest national park. Its vast valleys open to the sea, framed by towering mountains, deep waters and shimmering ice. This dramatic, hostile yet beautiful landscape features Berzelius Bjerg, a striking mountain with colourful strata, formed millions of years ago when these peaks lay beneath the ocean.

DAY 9: At Sea

Spend your day at sea enjoying the facilities available onboard. Head to the sauna, get in a workout in the state-of-the-art gym or relax in the hot tub while taking in incredible views along the way. DAY 10: Isafjordur

Surrounded by fjords in the Westfjords region, Ísafjörður is a bustling fishing town and cultural center in northwest Iceland with cafés, restaurants and museums. The Heritage Museum, also known as the Maritime Museum, houses some of the country's oldest buildings and explores the region's fishing heritage through compelling exhibits. Nearby, Osvor is a replica of a 19th-century Icelandic fishing station.
