

ANTARCTICA - EXPEDITION TO ANTARCTICA: WEDDELL SEA CRUISE | SH VEGA

INTRODUCTION

Journey beyond the classic Antarctic Peninsula route and discover the ice-choked waters of the legendary Weddell Sea. Known for its vast tabular icebergs and historic exploration stories, this region offers a very different perspective of Antarctica. Explore by Zodiac among glaciers and towering ice formations, with opportunities to spot penguins, leopard and Weddell seals, whales and other wildlife that thrive in this remote environment.

Throughout the voyage, learn about the region's rich polar history, including the story of Shackleton's Endurance, while enjoying presentations from expedition experts and photographers. With access to one of the most pristine corners of the White Continent, this expedition delivers a deeper and more distinctive Antarctic experience than many traditional Peninsula cruises.

DAY 2: Fly to Ushuaia & Embarkation

This morning, you will be picked up from your hotel and transferred to the airport in time for your charter flight to Ushuaia. Upon arrival, you will be transferred to the cruise ship for embarkation. Nestled in the foothills of the snow-capped Martial Range, Ushuaia’s colourful streets and mismatched buildings cascade from the imposing mountains before coming to an abrupt halt at the shores of the Beagle Channel. As one of the world’s southernmost cities, Ushuaia carries its ‘end of the world’ reputation well. The moody weather and dramatic surroundings certainly help. Board your boutique ship before departing for your journey through one of the most captivating wilderness regions of the world.

DAY 3: At Sea - Day 3 & 4

Sea days are rarely dull. Take the time to sit back and let the world go by. The ship’s observation decks provide stunning views of the passing ocean. A day at sea gives you the opportunity to mingle with other passengers and share your experiences of this incredible trip or head to our library which is stocked full of reference books. Get an expert’s view in one of our on-board lectures or perhaps perfect your photography skills with invaluable advice from our onboard professional photographers.

DAY 5: Antarctic Peninsula - Day 5 to 10

Among captivating glaciers, majestic icebergs and snowy islands, the Antarctic Peninsula is where most visitors to the White Continent live their Antarctica dream. It's the most accessible part, with scientific bases and incredible scenery, like the photogenic Lemaire Channel. Shore excursions might include Mikkelsen Harbour, where among gentoo penguins, snowy sheathbills and skuas, Antarctic Weddell seals haul out.
