INTRODUCTION

Follow the route of true polar explorers on a voyage that ventures deep into Antarctica and towards the Antarctic Circle. Departing Ushuaia, cross the Southern Ocean and spend several days discovering the White Continent alongside an experienced expedition team. Explore by Zodiac among towering icebergs and glaciers while searching for wildlife including penguins, albatrosses, whales and elephant seals.

Sailing further south than many Antarctic itineraries, this voyage offers access to some of the continent's most remote and dramatic environments. Between landings, guests can attend presentations by polar specialists, improve their photography skills and take in ever-changing Antarctic scenery. For those looking to go beyond a classic Peninsula cruise, this expedition delivers a more extensive Antarctic experience.

DAY 2: Fly to Ushuaia & Embarkation

This morning, you will be picked up from your hotel and transferred to the airport in time for your charter flight to Ushuaia. Upon arrival, you will be transferred to the cruise ship for embarkation. Nestled in the foothills of the snow-capped Martial Range, Ushuaia's colourful streets and mismatched buildings cascade from the imposing mountains before coming to an abrupt halt at the shores of the Beagle Channel. As one of the world's southernmost cities, Ushuaia carries its 'end of the world' reputation well. The moody weather and dramatic surroundings certainly help. Board your boutique ship before departing for your journey through one of the most captivating wilderness regions of the world.

DAY 3: At Sea - Day 3 to 5

Sea days are rarely dull. Take the time to sit back and let the world go by. The ship's observation decks provide stunning views of the passing ocean. A day at sea gives you the opportunity to mingle with other passengers and share your experiences of this incredible trip or head to our library which is stocked full of reference books. Get an expert's view in one of our on-board lectures or perhaps perfect your photography skills with invaluable advice from our onboard professional photographers.

DAY 6: Antarctic Peninsula - Day 6 to 12

Among captivating glaciers, majestic icebergs and snowy islands, the Antarctic Peninsula is where most visitors to the White Continent live their Antarctica dream. It's the most accessible part, with scientific bases and incredible scenery, like the photogenic Lemaire Channel. Shore excursions might include Mikkelsen Harbour, where among gentoo penguins, snowy sheathbills and skuas, Antarctic Weddell seals haul out.
