

ANTARCTICA - ANTARCTIC EXPRESS: CROSSING THE CIRCLE | WORLD VOYAGER

INTRODUCTION

Cross the Antarctic Circle and spend more time exploring Antarctica on this fly-cruise expedition aboard World Voyager. Flying directly between Punta Arenas and King George Island maximises your time on the Antarctic Peninsula, where Zodiac cruises, guided shore landings and daily wildlife encounters offer opportunities to see penguins, seals, whales and spectacular polar scenery.

Travelling beyond latitude 66°33' south, you'll join the small number of travellers who have crossed the Antarctic Circle while exploring remote waterways, active wildlife colonies and glacier-lined coastlines with an experienced expedition team. This journey combines Antarctica's iconic highlights with one of polar travel's most rewarding milestones.

ITINERARY

DAY 1: Punta Arenas, Chile

Your adventure begins in Punta Arenas, Chile, the most populated city in southern Patagonia. If you arrive early, there are many museums, restaurants and shops to enjoy. By early afternoon, a Quark Expeditions representative will meet you at the official starting point hotel, where you'll enjoy a welcome dinner and be briefed about preparations for your embarkation day.

ANTARCTICA - ANTARCTIC EXPRESS: CROSSING THE CIRCLE | WORLD VOYAGER

DAY 2: Embarkation Day

Your charter flight from Punta Arenas to Antarctica will have you crossing the legendary Drake Passage in only a few hours. Far below, the ship is approaching King George Island ready for your arrival. Your first glimpse of dramatic Antarctica landscapes will be from a very unique perspective, as your plane descends towards the South Shetlands. After landing, stretch your legs and spend some time exploring the island before being transferred by Zodiac to your ship. Meet the rest of your shipmates and set sail for the Antarctic Peninsula!

DAY 3: Antarctic Peninsula & South Shetland - Day 3 to 5

There are few places in the world as evocative as Antarctica. The Antarctic Continent is indescribable and can only be fully appreciated through your own eyes. Even more exciting are your land excursions. Your first Zodiac landing is something you'll never forget. Setting foot on a beach inhabited by thousands of penguins is the most intimate way to experience the unique wildlife of Antarctica. Each landing is different and dependent on weather, but every day presents new sightings and photo opportunities, and it won't be long before you can tell the difference between an Adélie, gentoo and chinstrap penguin.

DAY 6: The Antarctic Circle - Days 6 & 7

Crossing the Antarctic Circle is both a memorable experience and impressive achievement, as few travelers reach so far south. If conditions allow us to cross this famed latitude of 66°33' South, we'll toast the first explorers who ventured here, and you can raise a glass and take pride in knowing you've made it to a part of the world visited by very few people. This is raw Antarctica, home of the midnight sun, Weddell seals, and your best chances of encountering sea ice—the foundation of the Antarctic marine ecosystem.

DAY 8: Northbound Along the Peninsula - Days 8 & 9

If you haven't had your fill of Antarctic wildlife and icebergs by now, you'll surely be satisfied by the time we return to the Drake Passage. You will continue to journey onto land by Zodiac as you travel north along the western Antarctic Peninsula. Your Expedition Team will always be on the lookout for any species of penguins, seals and whales that may have eluded you on the journey south.

DAY 10: Disembarkation and Fly to Punta Arenas

After your week of exploration, you'll say goodbye to the Expedition Team and disembark at King George. After your week of exploration, you'll say goodbye to your Expedition Team and disembark at King George Island. Your two-hour flight across the Drake Passage to Punta Arenas, Chile, brings your adventure to an end. After your group transfer to the hotel, you are free to explore and enjoy an evening on your own in the city or at the hotel to reminisce about the sights and sounds of Antarctica.

DAY 11: Depart Punta Arenas

After breakfast, you are welcome to continue on your own travels or make your way to the Punta Arenas airport for your homeward flights.
